BayCare Medical Group Career Pathway

WHAT DOES A BAYCARE MEDICAL GROUP WORKER DO?

BayCare Medical Group is Tampa Bay's leading multi-specialty group, providing primary and specialty care throughout the Tampa Bay and west central Florida regions. The BMG Administrative Team are the first people patients meet when they enter the medical facility, as they welcome patients and oversee all front and back office tasks. Some duties include managing the practice's day-to-day operations and utilization management. The BMG Clinical Team evaluates patients and helps the provider with patient exams, procedures, and treatments. This involves managing day-to-day clinical operations, collaborating with doctors to ensure efficient operations, and supporting the physician's office medical staff.

Job Opportunities at every BayCare Medical Group Office.
Hours vary depending on the facility.
