

South County Career Acceleration Academy will provide a comprehensive, collaborative environment to nurture and ensure the academic and personal success of our students.

Goal #1- Utilizing current Insight data, alongside FSA/SAT/ACT data, we will provide concentrated lenses in the area of providing academic opportunities to staff allowing individualized instructional goals.

Goal #2- We will successfully increase or maintain monthly average school wide student attendance to reach or exceed 80% for at least 8 out of 10 months.

Goal #3- Develop and implement social emotional leaning skills that were identified in the Panorama survey specifically addressing supports/environment and competencies.
