Dear Parent or Guardian,

Hillsborough County Public Schools is excited to continue our partnership with Panorama Education. Panorama works with 12 state agencies, 1,500 districts and 21,000 schools in all 50 states to collect and act on stakeholder voice, supporting over 15 million students. With a focus on social-emotional wellbeing, Panorama partners with districts to build supports for the whole child.

By continuing to work with Panorama, our district will continue to have access to a powerful online platform to help us share and act on data. We are excited to provide our educators and schools with a research-backed survey to support student's social, emotional, and academic needs.

All students in grades 4-12 will be asked to participate in the survey. Stewart's survey window will begin October 3, 2022, and close on October 7, 2022. The survey will ask students to self-reflect on their social skills, school climate and culture, and sense of belonging. You can preview the survey content by clicking [here for grades 6-12](#).

The Panorama platform will also include an online "Playbook" of lessons for teachers. These lessons will help support our students in the classroom with skills such as goal setting, decision making and conflict resolution.

If you would like your child to opt out of taking the survey please submit [this form](#) by **September 28, 2022**. If you have any questions about the survey administration, please don't hesitate to contact Heather McConnell at 276-5691 x283

We are excited to continue our partnership with Panorama Education and look forward to supporting our students' social, emotional, and academic development.

Respectfully,

Baretta Wilson, Ed.D.
Principal
