Painting Senior Parking Spot

2022-2023

PLEASE READ THE FOLLOWING REQUIREMENTS FOR PAINTING A SENIOR SPACE. STUDENT AND PARENT SIGNATURES ARE REQUIRED TO PAINT YOUR PARKING SPACE. SIGNING BELOW INDICATES UNDERSTANDING AND AGREEING TO THESE REQUIREMENTS. REMEMBER, PARKING ON CAMPUS IS A PRIVILEGE. ANY VIOLATION OF THE FOLLOWING REQUIREMENTS WILL RESULT IN YOUR DESIGN POSSIBLY BEING PAINTED OVER BY THE ADMINISTRATION.

YOU MUST PAY AND GET APPROVAL FOR YOUR DESIGN BY AN ADMINISTRATOR BEFORE YOU CAN PAINT YOUR SPACE.

Requirements for Painting Your Senior Parking Space:

- You must have purchased a hangtag with an assigned space BEFORE turning this form in.
- This form must be signed, and the colored design must be drawn out for approval by an administrator.
- \$30.00 payment must be made for the right to have a template placed in your space to paint. Already factored into the \$50.00 payment
- **NO REFUNDS and ALL SALES ARE FINAL**
- Once approved, a 4' x 5' template outline will be painted in your space. You will only be able to paint within the outline of the template.
- You MAY NOT change your design once it has been approved or you will be subject to having the design removed and lose the privilege to have another design
- You are responsible for all paint and materials (See Suggested Materials List)

Suggested Materials:

- Latex Paint – Exterior Water Based (Sherwin-Williams, Lowe's, Home Depot)
- NO OIL BASED PAINTS, SPRAY PAINT OR REFLECTIVE PAINT
- Brushes, Rollers or Sponges to apply paint
- Masking Tape is encouraged to stay within the template outline
- Broom to clear asphalt rubble and dirt
- Chalk to sketch out your design
- Bucket of water for cleanup
- Rag or plastic drop cloth to help with any spills and help keep your area clean

Design Criteria and Help:

- No offensive language or gang symbols
- No double meanings
- Must be school-appropriate
- Design must be pre-approved by administration
- Stick to original design or it gets painted white
- Consider taking a picture of your design or bringing a template for how you will replicate the design you submit to the office (You will not get this form back)
- You may have many of these materials and possibly leftover exterior paint at home. Ask your parents to look for these paints first before purchasing.
- Many of these paints can be purchase in smaller pint sizes instead of buying a full gallon of paint.

Since this is a brand-new concept for the parking lot, some spaces not painted last year will need a white base coat. We are reducing the price this year for seniors because we understand you will need to add a base coat to the template that WILL NOT be filled in. A base coat could be white paint or whatever color you choose to be the background.

PLEASE COMPLETE THE DESIGN ON THE BACK OF THIS FORM IN COLOR AND SUBMIT TO THE STUDENT AFFAIRS OFFICE FOR APPROVAL ON THE GIVEN DATE AND TIMES LISTED ON THE SCHOOL WEBSITE.

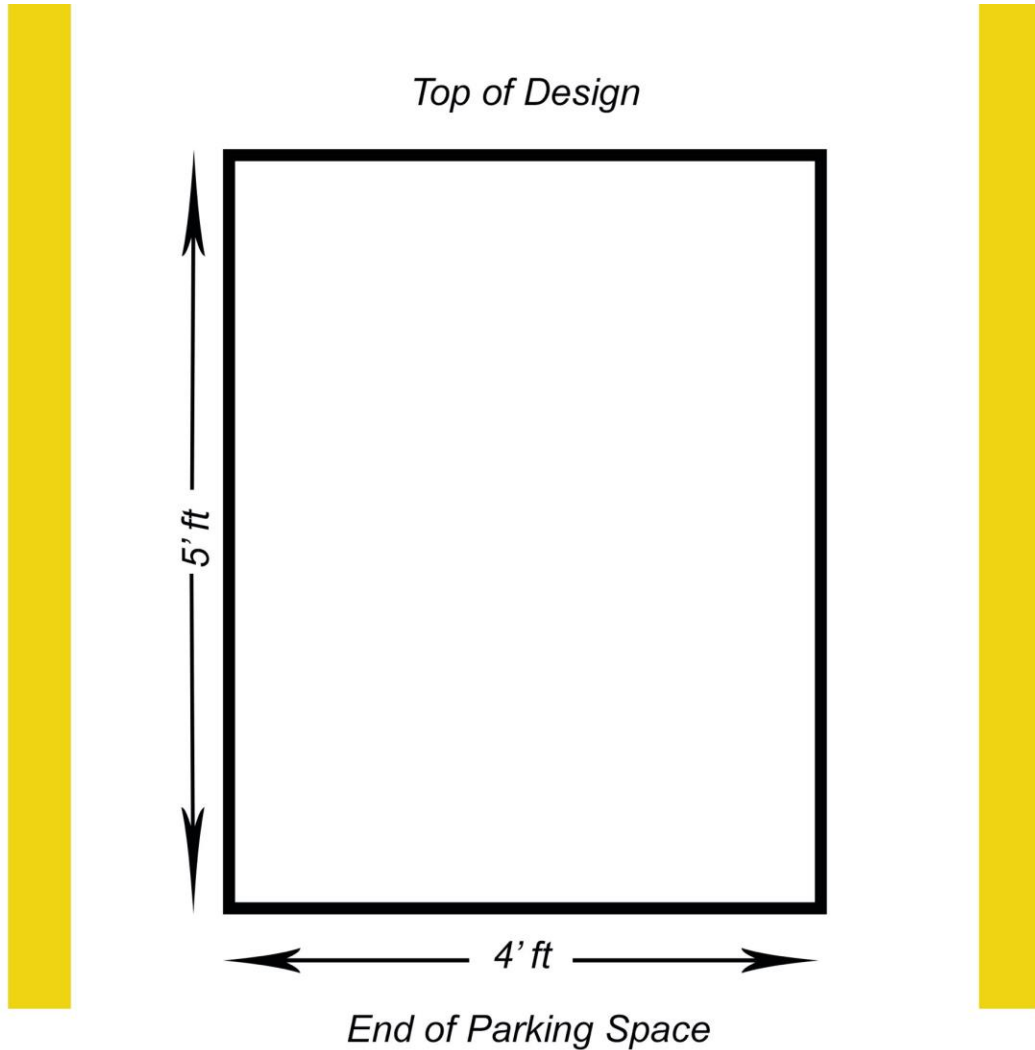

If you have questions, please email Mindy Miltner at Mindy.Miltner@hcps.net
