Advanced Placement (AP) Student Agreement:

All students that want to enroll in an AP course MUST read and sign below.

1. I will be expected to complete summer reading assignments/projects and failure to do so will not result in a schedule change.
2. The course(s) will be challenging, and I will be expected to produce work that is held to a higher academic standard; it is incumbent upon me to work harder to raise a low grade.
3. A schedule change will not be granted because of teacher preference, low grades, difficult or over-scheduled, or because the class is too demanding.
4. I am expected to take the AP exam in May, and understand I will be charged for the exam if I do not have a College Board approved reason for missing the exam.
