Subject: Tinker K8 Donation Drive

Dear Tinker Parents, Families, and Friends:

We are excited to launch a special fundraising initiative this year to enhance the learning experience of our students here at Tinker K8. Instead of a traditional fundraising event, we are holding a Donation Drive to help fund various school initiatives such as creating a new Sensory Room for our Tigers, classroom and school wide technology efforts, new sports equipment, and Student Incentivization programs like Tiger of the Week, Brag Tags, and other positive reinforcement techniques.

Every contribution, no matter the size, will make a huge difference in supporting the educational journey and positive development of our students.

There are multiple ways to donate:

1. **Online donation** via My Payments Plus. Please feel free to share this link with anyone you think would be interested in helping. [MY PAYMENTS PLUS](#)
2. **Cash or check** dropped off at the school office (checks payable to Tinker K8).

The Donation Drive will run from April 18, 2025 through May 2, 2025.

We understand that everyone's situation is different, so individual contributions can be made outside of this window directly to the front office if you would still like to support. We are so very appreciative of the monetary and supply donations that you provide throughout the school year. Together, we are making a lasting impact on our school and our students' education.

Thank you so much for your support!

Sincerely,

Cassandra Smallen, Principal
Tinker K8

Donors will NOT receive any goods or services in exchange for donations.
