Nicole Zamora

August 10, 2022

Dear Town and Country Families,

I am so excited to be serving my third year as Principal of Town and Country Elementary School! As the instructional leader I am committed to leading, motivating, and inspiring our teachers and staff to increase student achievement for all students. Nicole Zamora will continue serving as assistant principal. Mrs. Zamora has nine years of administrative experience in Hillsborough County and is extremely passionate about positively supporting our entire school community. This year, we will continue to build on our theme "One Team, One Vision" to make our team even stronger. As a result of our strong team (students, staff, families, and community members) our school accountability grade is a B. It takes a village and I'm so very proud of this accomplishment!!

Whether you are new to T&C or are a returning family, I hope you will consider joining our PTA and SAC committees in order to be part of decision-making processes at our school. Information regarding how to join will be sent out in student first day packets. I also encourage you to follow our school on twitter @TownCountry ES as well as check our school website at <https://www.hillsboroughschools.org/townandcountry>. We update both platforms weekly with important information.

In the upcoming weeks, I will be here at school preparing for this school year. Please feel free to call or email me with any questions (813-871-7500, otis.kitchen@hcps.net.) I also encourage you to check our district website regularly for district-wide updates ([www.sdhc.k12.fl.us](http://www.sdhc.k12.fl.us)). Mrs. Zamora and I look forward to continuing to work with you to ensure our students excel during the 22-23 school year!

One Team, One Vision 😊

Otis Kitchen II, M. ED

Principal – Town and Country Elementary School
