GUIDANCE CORNER

October is National Bullying Prevention Month, a chance to raise awareness about the impact of bullying while promoting kindness, respect and inclusion. As we focus on the importance of treating others with kindness, we are connecting our current character trait for the month of October, patience. One of our many roles as school counselors in the school and community are to support the students. Please reach out to us if your student is in need of additional assistance in feeling successful. RED RIBBON WEEK CELEBRATION OCTOBER 23rd - 27th.

Red Ribbon Week will be October 23rd. to the 27th. The Red Ribbon Awareness week serves as a catalyst to mobilize communities to educate youth and encourage participation in drug prevention. Our Broncos are continuing to learn about keeping their bodies healthy. We are having a themed dress up days throughout the week to engage our kids. This past month we had really focused on healthy and safe coping strategies for our BIG feelings. It is a great idea to extend these conversations at home to include eating healthy, having food hygiene practices, and getting a good night's sleep so our bodies can be healthy and ready to learn.
