GUIDANCE CORNER

Throughout the month of February our Broncos are participating in guidance lessons learning about **COMPASSION**.

Compassion is an advanced vocabulary term in the sense that children might have heard this word before, but it is difficult for them to explain the meaning to someone else. It is no surprise that all of our grade levels are all catching on quickly. They have learned that compassion is when you care about someone, and have a desire to help them with a kind action. We didn't stop there- all students brainstormed compassionate acts they could personally carry out at home, in the classroom, and globally. We are celebrating Random Acts of Kindness week this week, and recognizing our students compassionate acts all around campus. We are so proud of the eagerness our Broncos have to help others

KINDERGARTEN ROUND UP UPDATE

Please share this information with your neighbors.

Kindergarten Round Up is scheduled for **Tuesday, April 4 at 4:00 p.m.** This is a great opportunity for all students who will be new to Colleen Bevis Elementary for the 2023-2024 school year to get acquainted with our school. We look forward to meeting many new Broncos! Please bring your child's original birth certificate, social security card, a physical form from a Florida physician indicating a physical has occurred within one year of the first day of school, an up-to-date immunization card, and two proofs of residency (i.e. deed, property tax bill, lease, TECO bill). Even if you do not have all the paperwork by April 4, we still encourage you to come to the Kindergarten Round-Up with the paperwork you do have, and we can add to the child's file when you complete any outstanding items.
