## GUIDANCE CORNER

During the month of March, our classes are learned about the character trait **RESPONSIBILITY**. Responsibility is described to our students as being accountable for something or someone, a job, or a duty. During our guidance lessons for grades K-2, our Broncos were excited to share their own responsibilities at school, at recess, and even at home. In 3-5th grade we are focused on **why** we have responsibilities in all aspects of our life, including family and peer relationships, work habits, and around the home. Needless to say, our Bevis Broncos are all hardworking students thanks to our wonderful families who are instilling personal responsibility into their lives on a daily basis. Parents- you are all doing a great job!
