GUIDANCE CORNER

During the month of April our Broncos are learning about **PERSEVERANCE**. Perseverance is easily one of the most important traits to focus on as our year is winding down and testing is upon us. Our teachers and students are continuously focusing on having a growth mindset and building upon foundational skills to reach higher levels of knowledge across all grade levels. Grade K-2 focus on never giving up, to keep on trying, even when they are being challenged or trying something new. Grade 3-5 are also learning about perseverance, but focusing on setting goals. During our guidance lessons for grade 3-5, our students are completing the Panorama Ed Social Emotional Learning survey put out by Hillsborough County School District. Our students are excelling in identifying their emotional awareness and we are excited to see their growth from the beginning of the year.
