GUIDANCE CORNER

Our character trait for the month of April is **PERSEVERANCE**. This is the perfect time of year to be practicing perseverance as our year is winding down and testing is upon us. Our teachers and students are continuously focusing on having a growth mindset and building upon foundational skills to reach higher levels of knowledge across all grade levels. Grade K-2 focus on never giving up, to keep on trying, even when they are being challenged or trying something new. Grades 3-5 are also working on perseverance while focusing on setting goals. Our Broncos are excelling at emotional awareness and we are so excited to see their growth from the beginning of the year. Continue to Persevere, Broncos!

THANK YOU FOR A SUCCESSFUL RODEO

We would like to thank our business partners, volunteers, school staff, teachers, and Bevis families for making our Rodeo a success. A special thanks goes to volunteers Jennifer Dean, Jessica Deep, Shannon Polizzi, Julia Ferrara, and Kimberly Benyon for their hard work with ticket sales, assembling silent auction baskets, maintaining the silent auction, and working with our business partners to get such wonderful donations. All of the proceeds collected will go to teachers so they can purchase materials for their classrooms. Thank you!
