## NEWS FROM THE NURSE

Please help us keep Bevis a safe and healthy school by keeping your students home when they are not feeling their best. **Students may not be at school if they have had any symptoms of a communicable disease within the past 24 hours including vomiting/diarrhea, fever, red/sore throat, persistent cough, and/or excessive mucous draining from the nose. They should be symptom free without the use of medications for at least 24 hours and feeling back to their wonderful Bronco self before returning to school. Thanks for your help.**
