TESTING SUCCESS

How can you help your child stay focused yet relaxed during standardized test week? Share these strategies:

- Make sure your child gets a good nights sleep so he/she will be alert.
- Make sure she/he also has a good breakfast. We serve Breakfast every morning in the cafeteria starting at 7:00 am.
- Make sure your child arrives to school on time.
- Plan Doctor/Dentist appointments at other times not during testing
- Let your child plan enjoyable activities after school. She may not have homework during test week.
