Preventing the Spread of Communicable Diseases

Dear Parents:

We are asking you for your continued cooperation in assisting us to control the spread of communicable diseases here at Bevis Elementary School. Our goal is to make our school a healthy, safe place for both students and staff. We will call you immediately if your child becomes ill during school hours. You are expected to arrange for your child to be picked up AS QUICKLY AS POSSIBLE after receiving our call. Our school clinic is not equipped or staffed to handle ill children for long periods of time.

Please inform us IMMEDIATELY if telephone numbers or other information on your child's emergency card changes. The information on this card is vital for the safety and well being of your child.

WE ASK YOU NOT TO SEND YOUR CHILD TO SCHOOL IF ANY SIGNS/SYMPTOMS LISTED BELOW ARE PRESENT:

1. Vomiting or diarrhea within past 24 hours
2. Fever within past 24 hours
3. Sore/red throat
4. Persistent coughing or sneezing
5. Red watery eyes
6. Rash
7. Earache, drainage from ear
8. Excessive mucus from nose (runny nose), particularly greenish-yellow mucus

Your child may return to school **24 HOURS AFTER ALL SIGNS/SYMPTOMS ARE GONE** or when your physician provides a **WRITTEN STATEMENT** indicating your child is ready to return.

If your child has a communicable disease, please call and tell us the nature of the illness and when we can expect his/her return to school.

Thank you for working with us.

Sincerely,

Amy Neptune RN BSN

Prevención de la extensión de enfermedades comunicables

Estimados Padres:

Queremos pedirle que continúe ayudándonos a controlar la propagación de enfermedades contagiosas en la escuela. Nuestra meta es hacer de ésta un lugar seguro y saludable para nuestros niños y personal escolar. Nos pondremos en contacto con usted inmediatamente si su niño/a se enferma estando en la escuela. Esperamos que usted recoja su niño/a lo más pronto posible después que nos comuniquemos con usted. La clínica escolar no está equipada para mantener niños enfermos por largos periodos de tiempo.

Por favor, déjenos saber inmediatamente si sus números de telefono u otra informacion en la tarjeta de emergencia de su niño/a ha cambiado. La informacion en esta tarjeta es vital para la seguridad y el bienestar de su niño/a.

Le pedimos que no envíe su niño/a a la escuela si tiene los siguientes síntomas:

1. Vómitos o diarrea en las pasadas 24 horas
2. Fiebre en las pasadas 24 horas
3. Garganta irritada/dolor
4. Tos o estornudos persistentes
5. Ojos rojos, llorosos
6. Erupciones
7. Dolor de oídos, fluido
8. Mucosidad excesiva en la nariz (goteo nasal), especialmente si es amarillo-verdoso.

Su niño/a debe volver a la escuela tan pronto como los síntomas hayan desaparecido, o cuando su médico le provea una nota diciendo que su niño/a está listo/a para volver a la escuela.

Si su niño/a tiene una enfermedad contagiosa, por favor llámenos y díganos qué tipo de enfermedad es y cuando podemos esperar que regrese a la escuela. Gracias por cooperar con nosotros.

Sinceramente,

Child Health Assurance Act

In 1986, the Florida Legislature passed the Child Health Assurance Act. This act requires insurance companies to pay for children's routine checkups. The law states that insurance companies must cover specified visits (17 visits for vaccinations and checkups from the age of 2 months to 16 years) even if the policyholder's deductible has not been met. It applies also to group policies that originate out of the state for people living and working in Florida. However, the law does not apply to self-insurers—companies that have developed their own plans.

Services to be covered at each visit include "history, physical examination, developmental assessment, anticipatory guidance, and appropriate immunizations and laboratory tests." Provisions of the Child Health Assurance Act will cover the examination and immunizations needed to enter school. Parents should check with their insurance carrier.

Emergency Information/Parental Permission

At the beginning of each school year, you will be asked to complete an emergency card. The purpose of this card is to give school

personnel important information concerning health problems, procedures for emergency care, and persons to contact if you are unavailable. Your signature on this card gives the school personnel permission to act in emergency situations. Any health problem your child may have should be listed on this card. Please complete this card carefully. It is extremely important for the school to have complete and accurate information.

Remember to alert the school if changes in telephone numbers, addresses, or health status occur during the school year.

Screening Program

Health screening programs are an important part of the Primary Education Program. School health screening activities for kindergartners may include vision and hearing screenings, and measurement of height and weight with Body Mass Index calculation.

If you have questions or comments concerning items on this sheet or other school health services, please call the Department of Student Services, School Health Services, 273-7020.
