Service As Action (SA) is doing something to help make the world a better, more peaceful place!

Service As Action is part of being a Middle Years Programme (MYP) student. Even more importantly, it is part of being a caring, responsible member of your school, local and global communities. In the MYP, service as action starts in the classroom and extends beyond it, requiring you to take an active part in the communities you are a part of.

At Walker, the minimum expectations are:

- Year 1 students will complete 5 hours of service
- Year 2 students will complete 8 hours of service
- Year 3 students will complete 10 hours of service + the required Community Project.
- National Junior Honor Society (NJHS) members must complete a minimum of 10 hours each year
