

# School Advisory Council

## Needs YOU!

We are committed to being better today than we were yesterday.

### SAC Members:

- \* Are actively involved in improving the school.
- \* Thoroughly examine all aspects of their school when developing the school improvement plan
- \* Determine and prioritize the needs of their school.
- \* Decide how to measure the results of what they plan to do.
- \* Assist in the preparation and evaluation of the School Improvement Plan.
- \* Meets monthly to monitor the School Improvement Plan.
- \* Ensures the School Improvement Plan is a dynamic document that is reviewed often and revised as necessary.

### Who should get involved?

- Teachers
- Parents
- Students
- Education Support Personnel
- Principal
- Business Partners
- Community Members
