

# Woodbridge PTA Celebrates

## Teacher & Staff Appreciation Week

May 17-21

Help show your appreciation for our teachers and staff who keep Woodbridge running and help make it a great place to learn!

**Monday:** Make your teacher's day by drawing a picture of you and your teacher or write a note about how much you appreciate their help.

**Tuesday:** Keep your teacher energized and share a sweet, salty or healthy snack with them.

**Wednesday:** Keep your teacher hydrated and bring a refreshing drink for them. Coffee, tea, water, juice, soda, whatever your teacher likes.

**Thursday:** Spread some cheer and show your teacher you care by bringing in a flower.

**Friday:** Show your teacher how well you know them by bringing a surprise small gift based on one of their interest.

**\*Don't forget your specials teachers, ESE teachers and other school staff!**
