School Store Makeover

Our school store got a full makeover thanks to **Antoine Winfield Jr.** and the **Tampa Bay Buccaneers**. The school store was painted and stocked with items such as Xbox, PlayStation, gaming chairs, bean bags, sports equipment, Pop-a-Shot, board games, snacks and candy. Thank you to Jason Hulfish who painted the room. Students are able to use their Buffalo Bucks to purchase items in the store and buy playing time on the gaming consoles.

STEM Day March 12, 2021

Students were given an opportunity to participate in hands-on STEM activities such as LEGO Spike, Cubelets, marshmallow tower and water rockets. A special thank you to Mrs. Ramirez, Dr. Mack and Ms. Leon for helping with the planning of this day for students. A special thank you to our custodians who helped with set-up. We also want to say a special thank you to all of our student volunteers who facilitated the activities.
