Paper Tutoring Services

This is a new tutoring service provided by Paper. The service is free for 6th through 12th grade students. For more information [click here](#).

The advertisement features a dark blue background with a white diagonal stripe. On the left, the word "PAPER" is written in large, bold, blue letters. Below it, a smartphone and a tablet display the Paper tutoring interface. The smartphone screen shows a chat conversation with a tutor named Chloe, with messages like "Hi Chloe, I need help in math." and "How can I help you?". The tablet screen shows a similar chat interface with a whiteboard displaying the integral equation $\int y^{-1} dy$. To the right of the device images, there are three icons with corresponding text: a clock icon for "Chat with a tutor 24/7", a document icon for "Writing feedback", and a folder icon for "All academic subjects". At the bottom right, there is a dark blue rounded rectangle containing the text "Log into Clever → Click on the Paper Icon".
