## Howard W. Blake High School

Dear Parents,

One of Blake High School's goals is to have every student demonstrate success in all classes. If your student is having difficulty some of their classes, he/she can attend after school Yellow Jacket Tutoring (YJT) sessions. Credit Recovery will be available along with SAT Prep. Students will also have access to the Media Center for research, studying or working on FLVS assignments. This is another opportunity to provide additional support for your student.

The Yellow Jacket Tutoring sessions have certified instructors to supervise and tutor your student. Learning sessions for general tutoring in the areas mentioned above will occur after school on **Wednesdays and Thursdays from 3:50 p.m. to 5:50 p.m. YJT will begin on Wednesday, October 14, 2020.** Bus transportation is not provided. Students will have the opportunity to receive virtual tutoring through zoom with teachers.

Students should report to the classroom of the subject for which they would like tutoring. They are encouraged to bring class work or tests so the ELP teacher can work with them in the areas they are experiencing the most difficulty. The list of classes and room numbers will be posted on the Main Office, Guidance, and Student Affairs Offices, in classrooms as well as on the Blake website: <http://blake.mysdhc.org/>. If you any questions, please call Keisha Thompson at 272-3422.

Please complete the form below and return to the Main Office.

Sincerely,

Keisha Thompson  
Assistant Principal for Curriculum
