Academic Advisement

Students Entering Grade 9 Prior to 2023-2024

What Students and Parents Need to Know

What options lead to a standard diploma?

Successful completion of one of the following options:

- 24 credits
- Advanced International Certificate of Education (AICE) curriculum
- International Baccalaureate (IB) curriculum
- 18-credit Academically Challenging Curriculum to Enhance Learning (ACCEL)
- Career and Technical Education (CTE) Pathway

(See section [s.] [1003.4282](#), Florida Statutes [F.S.])

What are the state assessment requirements?

Students must pass the following statewide assessments:

- Grade 10 English Language Arts (ELA) or a concordant score
- Algebra 1 end-of-course (EOC) or a comparative score

A waiver of assessment results is granted by the Individual Educational Plan (IEP) team for students with disabilities. Additionally, students who have been enrolled in an English for Speakers of Other Languages (ESOL) program for less than two years may meet the requirement for grade 10 ELA by satisfactorily demonstrating grade level expectations of formative assessments.

Refer to [Graduation Requirements for Florida's Statewide Assessments](#) for concordant and comparative scores.

Students enrolled in the following courses must participate in the corresponding EOC assessment, which constitutes 30 percent of the final course grade*:

- Algebra 1
- Geometry
- Biology
- U.S. History

*Special note: Thirty percent not applicable if not enrolled in the course but passed the EOC (Credit Acceleration Program [CAP]).
(See s. [1008.22](#), F.S.)

What is the difference between the 18-credit ACCEL option and the 24-credit option?

- 3 elective credits instead of 8
- Physical Education is not required

What is the difference between the CTE Pathway option and the 24-credit option?

- At least 18 credits are required
- 4 elective credits instead of 8
 - 2 credits in CTE courses, must result in a program completion and industry certification
 - 1.5 credits in work-based learning programs; Physical Education is not required
- Fine and Performing Arts, Speech and Debate, CTE or Practical Arts is not required

24-Credit Standard Diploma Requirements

Available To All Students, Including Students With Disabilities

4 Credits ELA
<ul style="list-style-type: none"> • ELA 1, 2, 3, 4 • ELA honors, Advanced Placement (AP), AICE, IB and dual enrollment may satisfy this requirement
4 Credits Mathematics*
<ul style="list-style-type: none"> • One of which must be Algebra 1 and one of which must be Geometry • Industry Certifications that lead to college credit may substitute for up to two mathematics credits (except for Algebra 1 and Geometry) ** • An identified computer science*** credit may substitute for up to one mathematics credit (except for Algebra 1 and Geometry)
3 Credits Science*
<ul style="list-style-type: none"> • One of which must be Biology, two of which must be equally rigorous science courses • Two of the three required course credits must have a laboratory component • Industry Certifications that lead to college credit may substitute for up to one science credit (except for Biology)** • An identified computer science*** credit may substitute for up to one science credit (except for Biology)
3 Credits Social Studies
<ul style="list-style-type: none"> • 1 credit in World History • 1 credit in U.S. History • 0.5 credit in U.S. Government • 0.5 credit in Economics
1 Credit Fine and Performing Arts, Speech and Debate, Career and Technical Education, or Practical Arts*
1 Credit Physical Education*
<ul style="list-style-type: none"> • To include the integration of health
8 Elective Credits
<p>Students must earn a 2.0 unweighted grade-point average (GPA) on a 4.0 scale for all cohort years and pass statewide, standardized assessments.</p>

*Eligible courses are specified in the Florida Course Code Directory.

**Industry certifications for which there is a statewide college credit articulation agreement approved by the State Board of Education may substitute for mathematics and science credit.

***A computer science credit may not be used to substitute for both a mathematics and science credit.

Academic Advisement
Students Entering Grade 9 Prior to 2023-2024
What Students and Parents Need to Know

Scholar Diploma Designation

In addition to the requirements of s. [1003.4282](#), F.S., a student must satisfy the following requirements:

- Earn 1 credit in Algebra 2 or an equally rigorous course
- Pass the Geometry EOC
- Earn 1 credit in Statistics or an equally rigorous mathematics course
- Pass the Biology 1 EOC++
- Earn 1 credit in Chemistry or Physics
- Earn 1 credit in a course equally rigorous to Chemistry or Physics
- Pass the U.S. History EOC++
- Earn 2 credits in the same World Language
- Earn at least 1 credit in an AP, IB, AICE or a dual enrollment course

****Special note:** A student is exempt from the Biology 1 or U.S. History EOC assessment if the student is enrolled in an AP, IB, or AICE Biology 1 or U.S. History course; takes the respective AP, IB or AICE assessment; and earns the minimum college credit.

Industry Scholar Diploma Designation

- Meet standard high school diploma requirements
- Attain one or more industry certifications from the list established (per s. 1003.492, F.S.)

What is CAP?

The CAP allows a student to earn high school credit if the student passes an AP examination, a College Level Examination Program (CLEP) or a statewide course assessment without enrollment in the course. The courses include:

- Algebra 1
- Geometry
- Biology
- U.S. History

What are the additional graduation options for students with disabilities?

Students, in collaboration with parents and the IEP team, may choose two additional standard diploma options available only to students with disabilities. Both allow students to substitute a CTE course with related content for one credit in ELA 4, mathematics, science and social studies (excluding Algebra 1, Geometry, Biology 1 and U.S. History). The two options are as follows:

- Students with a most significant cognitive disability may earn credits via access courses and be assessed via an alternate assessment.
- Students enrolled in the academic and employment option must earn at least 0.5 credit via paid employment in addition to meeting the standard diploma graduation requirements.

State University System

Admission into Florida's [State University System](#) (SUS) institutions is competitive. Prospective students should complete a rigorous course of study in high school and apply to more than one university to increase their chance for acceptance. To qualify to enter one of Florida's public universities, a first-time-in-college student must meet the following minimum requirements (credit earned by industry certification does not count for SUS admission):

- High school graduation with a standard diploma, a minimum of a 2.5 GPA and admission test scores meeting minimum college-ready test scores per Board of Governors (BOG) Regulation 6.008
- 16 credits of approved college preparatory academic courses per BOG Regulation 6.002
- 4 English (3 with substantial writing)
- 4 Mathematics (Algebra 1 level and higher)
- 3 Natural Science (2 with substantial lab)
- 3 Social Science
- 2 World Language (sequential, in the same language or other equivalents)
- 2 approved electives

Florida College System

The 28 colleges of the [Florida College System](#) serve more than 650,000 students. Colleges offer affordable and stackable workforce credentials including certificate programs, associate in science degrees and associate in arts degrees, which transfer to a bachelor's degree program. All colleges also offer workforce bachelor's degree programs in areas of high demand. All Florida College System institutions have open-door admissions for students who earned a standard high school diploma or an equivalent diploma, or earned college credit.

Career and Technical Colleges and Centers

Florida also offers students 49 accredited career and technical colleges or centers throughout the state, which provide the education and certification necessary to work in a particular career or technical field. Programs are flexible for students and provide industry-specific education and training for a wide variety of occupations.

[Career, Adult and Technical Education District Postsecondary Institutions](#)

Where is information on financial aid located?

The Florida Department of Education's Office of Student Financial Assistance administers a variety of postsecondary educational state-funded grants and scholarships.

[Office of Student Financial Assistance](#)

For more detailed information on Graduation Requirements visit the Florida Department of Education's webpage at <https://www.fldoe.org/schools/k-12-public-schools/ss/graduation-requirements/>.

ACT/SAT TEST PREP

Check out Khan Academy for SAT prep. Practice is the key to success!

Take full length practice tests, brush up on specific skills with short lessons, and get test taking tips and strategies.

Link Your Collegeboard Account to Khan Academy for personalized SAT Practice

Prepare for the New SAT[®] with **Official SAT Practice**

CollegeBoard + KHANACADEMY

Get personalized practice recommendations based on your PSAT/NMSQT[®] or PSAT[™] 8/9 results.

Take these steps to link your College Board and Khan Academy[®] accounts.

- 1**
Visit satpractice.org
This takes you to Khan Academy, where you should log in or create an account.
- 2**
Link Your Accounts
When prompted, agree to link your Khan Academy and College Board accounts.
- 3**
Send Your Test Results
At College Board, sign in or create an account and hit "Send" to send your test results to Khan Academy.

Sign up. Link up.
Get practicing.

Florida Bright Futures Scholarship Program
Florida Academic Scholars (FAS) / Florida Medallion Scholars (FMS)
2023-24

Initial Eligibility Requirements: (As determined by the Florida Department of Education)

1. Submit the [Florida Financial Aid Application \(FFAA\)](#) no later than August 31 after high school graduation.
2. Graduate from a Florida high school with a standard high school diploma or its equivalent.
3. Complete the 16 college-preparatory courses required for admission to a state university.
4. Achieve the required weighted GPA in the 16 college-preparatory courses per the chart below.
5. Achieve the required composite ACT® score, Overall Score on the Classic Learning Test (CLT), or combined SAT® score no later than August 31 of the student's graduation year (or through January 31 for mid-year graduates), per the chart below.
6. Complete the required number of volunteer service hours, paid work hours, or 100 total combined hours per the chart below.

Type	16 High School College-Preparatory Course Credits ¹	High School Weighted Bright Futures GPA	College Entrance Exams by High School Graduation Year (ACT®/CLT®/SAT®)	Volunteer Service Hours ²	Paid Work Hours ²
FAS	4 - English (three must include substantial writing) 4 - Mathematics (at or above the Algebra I level) 3 - Natural Science (two must have substantial laboratory)	3.50	2023-24 Graduates: 29/96/1340 2024-25 Graduates: 29/96/1340	100 hours	100 hours
FMS	3 - Social Science 2 - World Language (sequential, in same language)	3.00	2023-24 Graduates: 25/84/1210 2024-25 Graduates: 25/84/1210	75 hours	100 hours

¹ The required coursework aligns with the State University System admission requirements found in Florida Board of Governor's Regulation 6.002. Additional information regarding high school coursework can be found within the [Florida Counseling for Future Education Handbook](#).

² Students must earn the required volunteer service hours, 100 paid work hours, or a combination that totals a minimum of 100 hours.

Requirements to Receive an Award: (As determined by the postsecondary institution)

1. Be evaluated by the Office of Student Financial Assistance (OSFA) as meeting initial eligibility requirements.
2. Be a Florida resident and U.S. citizen or eligible noncitizen.
3. Enroll as a degree- or certificate-seeking student at a Florida institution in at least 6 non-remedial semester credit hours.

Renewal Requirements: (As determined by grade and hours submitted by the postsecondary institution)

1. Students must earn the number of credit hours based on the student's enrollment type per term.
2. The renewal cumulative GPA requirements are outlined in the table below.

	Florida Academic Scholars (FAS)	Florida Medallion Scholars (FMS)
Minimum Cumulative GPA (unrounded and unweighted)	3.0	2.75

For detailed information, including other ways to qualify, please refer to the [Bright Futures Student Handbook](#).

Eligibility requirements are subject to change with each legislative session.

Students are responsible for tracking their application and award status online and ensuring that funding for an academic year is accurate by contacting their institution's financial aid office.

Florida Bright Futures Scholarship Program
Florida Gold Seal CAPE Scholars (GSC)
2023-24

Initial Eligibility Requirements: (As determined by the Florida Department of Education.)

1. Submit the [Florida Financial Aid Application \(FFAA\)](#) no later than August 31 after high school graduation.
2. Graduate with a standard high school diploma or its equivalent.
3. Earn a minimum of 5 postsecondary credit hours through CAPE industry certifications that articulate for college credit.
4. Complete at least 30 volunteer service hours, 100 paid work hours, or a combination that equals a minimum of 100 total hours.

Eligible CAPE Certifications: Active Articulation Agreements Summary
www.fldoe.org/core/fileparse.php/7525/urlt/active-articulation-summary.xlsx

Requirements to Receive an Award: (As determined by your postsecondary institution.)

1. Be evaluated by the Office of Student Financial Assistance (OSFA) as meeting initial eligibility requirements.
2. Be a Florida resident and U.S. citizen or eligible noncitizen.
3. Enroll as a degree- or certificate-seeking student at a Florida institution in at least 6 non-remedial semester credit hours.

Scholarship Restrictions:

Until a student has earned an eligible associate degree, Gold Seal CAPE (GSC) scholarships may only be used at postsecondary institutions that offer an applied technology diploma, technical degree education program (associate in applied science or associate in science), or a career certificate program.

Upon completion of an eligible associate degree program, a GSC Scholar may also receive an award for a maximum of 60 credit hours toward an eligible baccalaureate degree.

Renewal Requirements: (As determined by grade and hours submitted by your postsecondary institution.)

1. Students must earn the number of credit hours based on the student's enrollment type per term.
2. Students must maintain a minimum cumulative 2.75 GPA (unrounded and unweighted).

For detailed information, please refer to the [Bright Futures Student Handbook](#).

Eligibility requirements are subject to change with each legislative session.

Students are responsible for tracking their application and award status online and ensuring that funding for an academic year is accurate by contacting their institution's financial aid office.

Florida Bright Futures Scholarship Program

Florida Gold Seal Vocational Scholars (GSV)

2023-24

Initial Eligibility Requirements: (As determined by the Florida Department of Education.)

1. Submit the [Florida Financial Aid Application \(FFAA\)](#) no later than August 31 after high school graduation.
2. Graduate with a standard Florida high school diploma or its equivalent.
3. Achieve the required weighted 3.0 GPA in the non-elective high school courses.
4. Complete at least 3 full credits in a single Career and Technical Education program.
5. Achieve the required minimum 3.5 unweighted GPA in the single Career and Technical Education program.
6. Complete at least 30 volunteer service hours, 100 paid work hours, or a combination that equals a minimum of 100 total hours.
7. Achieve the required minimum scores on one of the college entrance exams per the chart below no later than August 31 of the year the student graduates from high school.

Exam Type	Sub-test	Required Score
ACT®	Reading	19
	English	17
	Mathematics	19
SAT®	Reading Test	24
	Writing and Language Test	25
	Math Test	24
Postsecondary Education Readiness Test (PERT)	Reading	106
	Writing	103
	Mathematics	114

Required test scores follow those established by Rule [6A-10.0315](#), Florida Administrative Code.

Requirements to Receive an Award: (As determined by your postsecondary institution.)

1. Be evaluated by the Office of Student Financial Assistance (OSFA) as meeting initial eligibility requirements.
2. Be a Florida resident and U.S. citizen or eligible noncitizen.
3. Enroll as a degree- or certificate-seeking student at a Florida institution in at least 6 non-remedial semester credit hours.

Scholarship Restrictions:

The GSV award may only be used at postsecondary institutions that offer an applied technology diploma, technical degree education program (associate in applied science or associate in science), or a career certificate program and not towards the completion of an associate in arts or a baccalaureate degree.

Renewal Requirements: (As determined by grade and hours submitted by your postsecondary institution.)

1. Students must earn the number of credit hours based on the student's enrollment type per term.
2. Students must maintain a minimum cumulative 2.75 GPA (unrounded and unweighted).

For detailed information, please refer to the [Bright Futures Student Handbook](#).

Eligibility requirements are subject to change with each legislative session.

Students are responsible for tracking their application and award status online and ensuring that funding for an academic year is accurate by contacting their institution's financial aid office.

Volunteer Service and Paid Work Guidelines

Bright Futures – Florida Academic Scholars Award, Florida Medallion Award, Gold Seal Vocational Award

*The student must complete a program of volunteer service or, beginning with a high school student graduating in the 2022-2023 academic year and thereafter, paid work, as approved by the district school board, the administrators of a non-public school, or the Department of Education for home education program students, which must include 100 hours of volunteer service, paid work, or a combination of both. Eligible paid work completed on or after **June 27th, 2022**, shall be included in the student's total of paid work hours. The student may identify a social or civic issue or a professional area that interests him or her and develop a plan for his or personal involvement in addressing the issue or learning about the area. The student must, through papers or other presentations, evaluate and reflect upon his or her volunteer service or paid work experience. (Florida Statute 1009.534)*

Volunteer Service or Paid Work may include, but is not limited to, a business or governmental internship, work for a nonprofit community service organization, or activities on behalf of a candidate for public office. These hours will meet the requirement for the Florida Bright Futures Award Program. Students must satisfy the hours requirement by either completing all volunteer hours, completing all 100 paid work hours, **or** completing 100 combined volunteer and paid work hours.

Scholarship	Volunteer Hours		Paid Work Hours		Combination of Volunteer or Paid Work Hours*
Florida Academic Scholarship (FAS)	100	or	100	or	100
Florida Medallion Scholarship (FMS)	75	or	100	or	100
Florida Gold Seal Vocational Scholarship (GSV)	30	or	100	or	100
Florida Gold Seal CAPE Scholarship (GSC)	30	or	100	or	100

*Volunteer service hours may be combined with paid work hours to reach a total of 100 at each level (FAS, FMS, GSV, GSC)

Hours That Are Not Acceptable

- Court mandated community/volunteer service.
- An activity where there is no leader or responsible adult on site to evaluate and confirm student performance.
- Donations (ex. blood, Locks of Love, canned food)
- Hours submitted after graduation.
- Fostering of animals
- Hours performed overnight at camps or designated events (exception Relay for Life).
- Volunteer or paid work hours earned prior to the completion of 8th grade.

How to document volunteer hours:

- Volunteer service hours must be submitted on the proper district form and submitted to the school counseling office at your school.

How to document paid work hours:

- Paid work hours must be submitted on the proper district form and submitted to the school counseling office at your school.
- A copy of a pay stub may be submitted in lieu of a signature and must be attached to the paid work hours documentation form.

Other General Guidelines

- Any volunteer service hours submitted or approved after the graduation date, even if earned *prior* to graduation will not be accepted. **No Exceptions.**
- Only paid work hours earned **beginning June 27th, 2022** and thereafter will be accepted.
- Students must perform the volunteer service during non-school hours.
- A parent/guardian cannot represent as a service agency or work contact.
- Volunteer Service/Paid Work hours will be capped at eight hours per day.

Senior Checklist

August

- ✓ Complete college research & make a final list of four or more to which you plan to apply
- ✓ Gather college application information
- ✓ Determine application options (early decision, early action, or regular decision)
- ✓ Begin essays for college applications
- ✓ Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- ✓ Meet with college representatives who are visiting your school
- ✓ Apply for applicable scholarships
- ✓ Submit volunteer service and work hours completed over the summer
- ✓ View Scholarship Matrix on district website or pick up from your counselor

September

- ✓ Pick up the State University System College Admissions Requirement Matrix (SUS) from your counselor
- ✓ View Scholarship Matrix on district website or pick up from your counselor
- ✓ Gather letters of recommendations
- ✓ Continue to work on essays for college applications
- ✓ Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- ✓ Meet with college representatives who are visiting your school or attend college fairs
- ✓ Apply for applicable scholarships
- ✓ Work on completing college applications
- ✓ Check with your school counselor or JROTC regarding the ASVAB exam date at your school if you are interested in the military or want to take a career interest inventory test
- ✓ Continue to submit volunteer service and work hours

October

- ✓ Attend any area college/career fairs
- ✓ Complete your SSAR – if required by college/university
- ✓ Meet with college representatives who are visiting your school
- ✓ View Scholarship Matrix on district website or pick up from your counselor
- ✓ Apply for applicable scholarships
- ✓ Continue completing college applications
- ✓ Continue to submit volunteer service and work hours
- ✓ Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- ✓ Apply for Florida Financial Aid (Bright Futures) at www.floridastudentfinancialaidsg.org/home/ApplyHere

November

- ✓ Meet with college representatives who are visiting your school
- ✓ View Scholarship Matrix on district website or pick up from your counselor
- ✓ Apply for applicable scholarships
- ✓ Continue completing college applications
- ✓ Continue to submit volunteer service and work hours
- ✓ Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- ✓ Apply for Hillsborough Education Foundation Scholarships

Senior Checklist Continued

December

- ✓ Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- ✓ Complete & submit college application materials
- ✓ View Scholarship Matrix on district website or pick up from your counselor
- ✓ Apply for applicable scholarships
- ✓ Continue to submit volunteer service and work hours
- ✓ Complete the FAFSA at www.FAFSA.gov

January

- ✓ Attend Hillsborough Technical Colleges info sessions and complete applications – if interested
- ✓ Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- ✓ Complete & submit college application materials
- ✓ View Scholarship Matrix on district website or pick up copy from your counselor
- ✓ Apply for applicable scholarships
- ✓ Continue to submit volunteer service and work hours

February/March

- ✓ Attend the NACAC College Fair in Tampa (possibly via Zoom)
- ✓ Check the status of your financial aid awards by accessing your online college accounts
- ✓ If needed contact the college's financial aid offices to determine if additional financial aid documents are required
- ✓ Update the FAFSA with new tax information if needed
- ✓ Apply for housing and pay deposits as applicable (dates may vary)
- ✓ Schedule college orientation sessions (dates may vary)
- ✓ Register for SAT or ACT, if scores still needed for Bright Futures, etc.; be aware of registration deadlines!
- ✓ View Scholarship Matrix on district website or pick up from your counselor
- ✓ Apply for applicable scholarships
- ✓ Continue to submit volunteer service and work hours
- ✓ Update SSAR to include any semester 1 grades/test scores

April

- ✓ Check the status of your financial aid awards by accessing your online college accounts
- ✓ Schedule college orientation sessions (dates may vary)
- ✓ Register for SAT or ACT, if scores still needed for Bright Futures, etc.; be aware of registration deadlines!
- ✓ View Scholarship Matrix on district website or pick up from your counselor
- ✓ Apply for applicable scholarships
- ✓ Continue to submit volunteer service and work hours

May

- ✓ Commit to the college that you will attend and pay deposits as applicable
- ✓ Return your college's financial aid award letter indicating the awards you are accepting and declining
- ✓ Attend college orientation sessions (dates may vary)
- ✓ Submit all final volunteer service and paid work hours **before** graduation
- ✓ Continue to apply for scholarships
- ✓ Update Bright Futures application with the final college selection if needed
- ✓ Register for SAT or ACT, if scores still needed for Bright Futures, etc.; be aware of registration deadlines!

June/July

- ✓ Attend college orientation sessions (dates may vary)
- ✓ Continue to apply for scholarships
- ✓ Request dual enrollment transcripts from HCC and/or AP scores from CollegeBoard to be sent to the college you will attend
- ✓ Continue to monitor Bright Futures award status
- ✓ Register for SAT or ACT in JUNE, if scores still needed for Bright Futures, etc.; be aware of registration deadlines!

IMPORTANT COLLEGE TERMS

ACCREDITATION: Recognition of a college or university by any of the regional or national accrediting bodies, indicating that the institution as a whole has been judged to be meeting its objectives.

CANDIDATES REPLY DATE: A policy among subscribing institutions that permits students to wait until May 1st to choose, without penalty, among offers of admissions/financial aid. (This does not include candidates accepted under Early Decision plan.)

COALITION APPLICATION A standard application that is accepted by 140 colleges and universities. Some schools will accept the Coalition application in addition to current applications, while other schools will require all students to use the Coalition application.

COMMON APPLICATION: A standard application form that is accepted by about 500 colleges in lieu of their own form. Available at www.commonapp.org. If you are applying to a college that requires the Common Application, you must use this form in order to send transcripts and recs electronically.

CSS/FINANCIAL AID PROFILE: A financial aid form produced by the College Board that is required for students seeking aid at approximately 10% of the nation's universities (including most highly selective institutions). Check colleges' websites for requirement information. Available at www.collegeboard.org.

DEFERRED ADMISSIONS: The practice of some colleges allowing an accepted student to postpone enrollment for one year.

DEFERRED DECISION: The practice of some colleges of holding an applicant's record to review again with the next applicant pool. A student who is deferred is neither accepted nor rejected. Most schools require 1st semester senior year grades and allow additional recommendations in the 2nd evaluation. Students should contact the admissions office to discuss ways to enhance the application and what should be submitted.

DEMONSTRATED NEED: The difference between the Expected Family Contribution and the total cost of attendance at a particular institution.

EARLY ACTION: An application process that permits students to submit an application to an institution of preference early in the senior year and receive a decision well in advance of the normal response dates in the spring. The candidate is NOT committed to enroll at that institution.

EARLY ADMISSION: Admitting students of superior ability into college courses and programs before they have completed their high school diploma. This type of application must be filed in the junior year.

EARLY DECISION: An application process in which a commitment is made by a student to the institution that, if admitted, the student WILL enroll. Only a student who can make a deliberate and well-reasoned first choice decision should apply early decision.

FAFSA (FREE APPLICATION FOR FEDERAL STUDENT AID): The financial aid form produced by the federal government that is required for nearly all colleges. Students and parents should fill out the form starting October 1st at www.fafsa.gov.

HONORS PROGRAM: Any program offering an opportunity for superior students to enrich their educational experience through independent, advanced, or accelerated study.

IMPORTANT COLLEGE TERMS

MODIFIED ROLLING ADMISSIONS: The practice of institutions to review applicant pools several times throughout the year. The school will post several deadlines and the dates in which those applications will be reviewed

NCAA INITIAL ELIGIBILITY CERTIFICATION: In order to participate in intercollegiate sports at NCAA Div. I, II, or III colleges, students-athletes must submit their high school transcript and ACT/SAT scores to the NCAA Initial Eligibility Clearinghouse. When registering for either test, students should enter “9999” as one of their college choices to have test scores sent to the Clearinghouse.

NEED BLIND ADMISSIONS: The term that applies to colleges that make decisions without regard to the financial circumstances of the applicants. Colleges with need-blind admissions do not necessarily offer aid to meet the full need of all accepted applicants.

OPEN ADMISSIONS: The policy of some colleges of admitting virtually all high school graduates, regardless of academic qualifications such as high school grades and admission test scores. Often times only a high school diploma is required. (Community Colleges generally fall under an open admissions classification.)

ROLLING ADMISSIONS: An admissions procedure by which the college considers each application as soon as required materials have been received. The college then notifies each applicant of acceptance or rejection as soon as possible.

SAT SUBJECT TESTS: One hour tests available in 18 subjects. These tests are required by the most selective colleges. Check the admissions page of the colleges’ websites. Typically colleges recommend sending 2-3 subject test scores. For a complete list of subject tests offered and to register, visit www.collegeboard.org. Students are encouraged to take their “best” subjects to show the college their strengths.

SELF-HELP AID: The portion of a financial aid package consisting of loans and wages from a work-study job.

SAR (STUDENT AID REPORT): A form sent to families in response to submission of the Free Application for Federal Student Aid that includes the Expected Family Contribution, a figure that may be modified at colleges that use institutional methodology.

SSAR (Student Self-Reported Academic Record): An online form required in lieu of an official transcript by UF, FSU, FAU, New College and FL Poly. Students self-report all of their high school and dual enrollment courses completed and currently in progress instead of requesting a transcript to be sent.

TEST OPTIONAL: A term used by institutions that means it is not mandatory for students to submit their SAT and/or ACT scores as a part of their application.

WAITLIST: A term used by institutions to describe a process by which they may initially delay offering or denying admissions during the regular decision pool. These students may be considered if space is available after admitted students have indicated whether or not they will attend.

FINANCIAL AID (FAFSA)

The **Free Application for Federal Student Aid (FAFSA)** is the financial aid form you will need to complete with your parent(s) in order to apply for student grants (i.e. Pell Grant), work-study, and loans for college tuition. Also, some colleges require students complete the FAFSA to be considered for their institutional scholarships.

Everyone is encouraged to apply for financial aid.

Income and assets are not the only factor reviewed for eligibility. Family size, number of children in college, and cost of the college are also important factors.

Apply online at www.FAFSA.gov starting in December 2023.

If you plan to start college in the fall of 2024, complete the 2024-2025 FAFSA using 2022 tax information.

If you plan to start college in the summer of 2024, complete the 2023-2024 FAFSA using 2021 tax information AND the 2024-2025 FAFSA using 2022 tax information.

Before you apply:

Parents: Gather your income tax return information for the 2021 or 2022 year. Much of the information asked will be the same. You do NOT have to file your income tax return before you fill out the FAFSA, but gather all the tax information so you can fill out the form completely.

Get an FSA ID: The FSA ID serves as your electronic signature. Both the student AND the parent need to apply for an ID. You will each have a separate ID. To get the ID, fill out a brief application at <https://studentaid.gov/fsa-id/create-account/launch>. Parent(s) and student can create an ID on this site that you will use to sign the FAFSA application. You will use this same ID each year you complete the FAFSA. **DON'T FORGET TO SAVE THESE LOGINS!**

New FAFSA Timeline for 2024 grads!! Check StudentAid.Gov for more info.

The FAFSA will open in December of 2023 and our state deadline is typically mid-May. However, you should submit your FAFSA as soon as possible because college and private aid deadlines may be much earlier than state deadlines. Some colleges will require you to submit an additional financial aid form (such as CSS/Financial Aid Profile). Check college's website for requirements and the form is available at cssprofile.collegeboard.org.

Many colleges will have institutional financial aid forms you must access and complete through each college's financial aid portal. Please check these one by one and make sure to complete all requirements.

Other Information:

You will need to reapply for financial aid every year. If your family's financial situation changes, you will get more or less aid. You do not need to be accepted to college to apply for financial aid. However, to actually receive funds, you must be admitted and enrolled in college. After applying, you will get an award letter and have the opportunity to accept or deny any of the aid offered to you.

Questions or problems with the FAFSA: Call 1-800-433-3243.

SELF-REPORTING COURSEWORK (SSAR)

SSAR is a student self-reported academic record that lists the classes and associated grades that have been attempted, or will be attempted, for high school and/or college credit. It replaces the high school and college transcripts used by a few college admissions offices (ex. UF, FSU, FAU) during the initial review process. Official transcripts will only be requested and sent AFTER graduation to validate what is entered on the SSAR. Please research which colleges on your list require you to submit a SSAR and which require an official transcript. Since accuracy is critical, you are advised to have a copy of your high school summary sheet (unofficial transcript) available to use as a reference when filling out the SSAR.

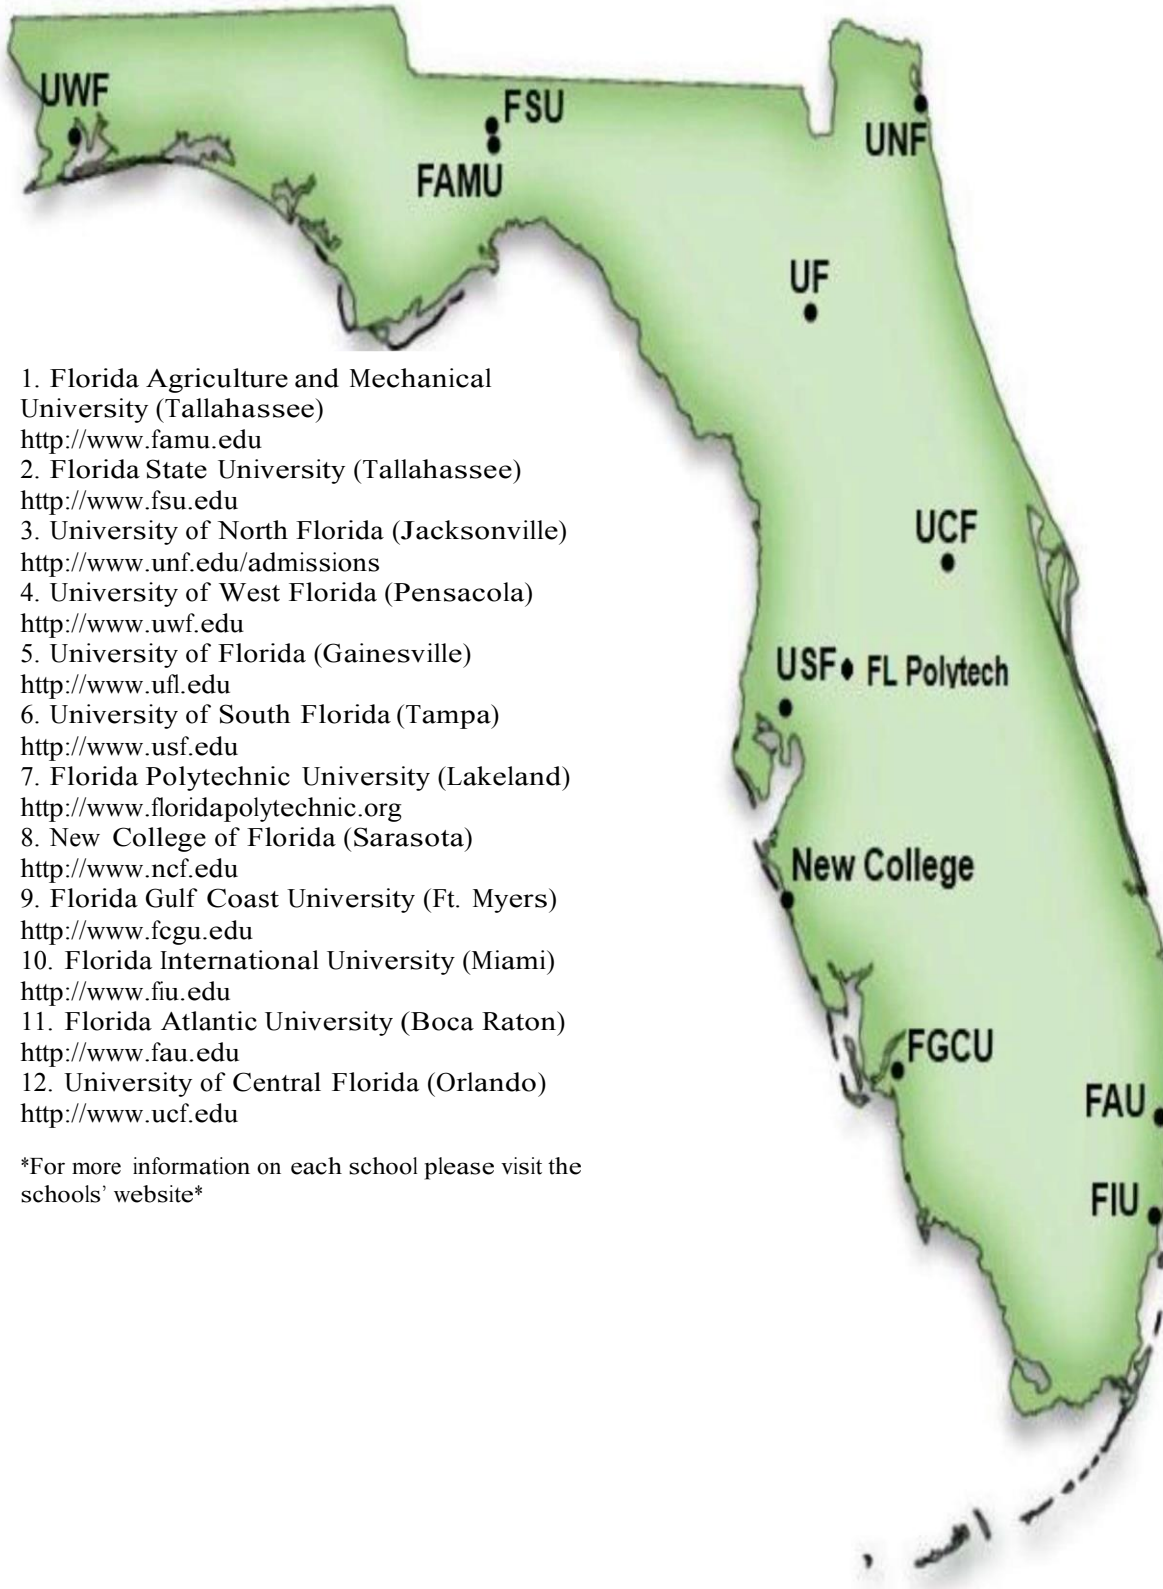

Start your SSAR here: <https://ssar.selfreportedtranscript.com/login.aspx>

Tips:

- District GPA = Weighted GPA
- Plant does an exact rank, not a percentile
[example: 175 (your rank) /592 (total number of seniors)]
- You should list the high school you are graduating from and all of the courses listed on your summary sheet regardless of how many different schools you attended.
- All senior year courses must be included and listed as “in progress.” If you are unsure of what courses you will be taking second semester, provide your best estimate and update the SSAR if anything changes. If your schedule changes, you must immediately update your SSAR. To make changes to the SSAR, simply log in to the SSAR website with the email address and password used to create your original SSAR.
- Every course listed on your summary sheet must be entered in the SSAR (including middle school, online, dual enrollment, etc.) This also applies to any courses of these types that the student is taking in their senior year.
- Most of the grades on your summary sheet are semester grades. If there is a course that is a single grade for one credit, enter that grade twice (once for first semester and once for second semester). This also applies to dual enrollment courses that were awarded a full high school (1.0) credit.
- Summer courses: You will record the course and grade in the preceding school year. For example, if you took a course between the 9th and 10th grades, you would enter the course in the 9th grade.
- If you are unsure of what subject area a course falls into, please reach out to the admissions office of your college(s).
- **After you complete and submit your SSAR on the SSAR website, you are NOT DONE. It must be individually linked through the application status check portal at each respective college that requires it.**

Some of these tips were copied from the SSAR FAQ sections of UF and FSU's websites. Please visit these websites for how-to videos and the most up to date information.

CAREER EXPLORATION

Many college applications will ask students to choose a major. Finding the right career and getting there is a journey. Check out the following resources to learn about different career possibilities and associated majors based on your personality and interests.

Tips for career exploration:

Think about what interests you or people you've read about or met who have interesting jobs. Identify potential careers in your areas of interest. Research what skills, classes, and degrees different jobs require. You might discover that you don't like any of the courses needed to complete a college major that would prepare you for one of the jobs on your list.

Resources for Researching Careers:

16personalities.com

Recent research in careers suggest that personality type has a much greater impact on career satisfaction than was originally thought. Try this "freakishly accurate" quiz to see where you fall.

<http://www.self-directed-search.com>

Take the "Self Directed Search"--the most widely used inventory in the world. It's a self-administered, self-scored, and self-interpreted career counseling tool. (\$9.95)

<https://roadtripnation.com/>

Take the career interest profiler or explore different careers with the Career Cluster Finder. The Roadtrip Nation Interview Archive consists of over 5,000 videos on struggle, triumph, and self-discovery that are broken into 48 themes and 29 interests. This is a great way to learn more about topics and careers you may be interested in from thought leaders!

<https://www.floridashines.org/find-a-career>

FloridaShines has the resources you need to explore careers, make a plan, and prepare for work.

What's Next?

Once you've researched possible careers and made a list, it's time to take action! Try out these ideas to gain valuable insight into what a day in the careers that interest you looks like.

Volunteer where you're likely to meet someone who has one of the jobs that interests you. Look into a paid or unpaid internship.

Accompany someone working in that field to see what a day on the job is like. Find a mentor who can give you perspective and advice.

Talk to family members and friends who work in those careers or know others who do.

Adult and Career Services Center Student Services

One-Stop Shop Promoting Education & Training Opportunities
Bridging the Gap between Adult Education, Postsecondary, and the Workforce

Educational career counseling and academic advising is available for free to assist students with enhancing their knowledge along with an alignment of resources to meet education and career objectives. Financial aid assistance, grant and agency funding resources are available.

Adult Education Programs

Eight Adult Administrative Sites in Hillsborough County: Bowers/Whitley, Brandon, Chamberlain, Gary, Jefferson, Lennard, Leto, and Plant City

- ❖ Adult Basic Education (ABE)
- ❖ High School Credit
- ❖ General Education Diploma (GED)
- ❖ English for Speakers of Other Languages (ESOL)
- ❖ Family Literacy

Career Pathways for the Adult Education student provides career development standards, digital literacy, and workforce preparation activities designed to be integrated in the ABE, GED, and ESOL curriculum.

Use QRC code to send Request for Information form to be contacted by an ACSC Student Services Counselor/Advisor

Technical College Programs

Four Technical College sites in Hillsborough County: Aparicio-Levy, Brewster, Erwin, Learey

- ❖ Apprenticeship
- ❖ Business & Marketing Mgt
- ❖ Early Childhood Education
- ❖ Health Science
- ❖ Hospitality & Tourism
- ❖ Industrial Trade & Manufacturing
- ❖ Information Technology
- ❖ Public Service

Career Pathways for the potential Technical College student provides support services for students to transition into postsecondary education, apprenticeship programs and the workforce. Students learn to locate resources, navigate, organize, and plan for their educational and career goals.

Please call and ask to speak with a Counselor for more information. (813) 231-1907

HCC INFORMATION

Steps to apply to HCC:

1. Apply online at www.hccfl.edu during 2nd semester of your senior year.
You need 2 proofs of residency when filling out the application (i.e. parent's driver's license information, parent's voter registration, or parent's vehicle registration).
2. Submit the FAFSA (Financial Aid) form online at www.fafsa.gov.
3. Complete the Welcome Orientation
4. Go to HCC campus or schedule a phone call to meet with an advisor. Have SAT or ACT scores and a copy of your high school transcript with you.
Students can also take the PERT test at HCC if you do not have SAT or ACT score.
Visit <https://www.hccfl.edu/support-services/testing/testing-locations> for specific testing information.
5. Register for classes (on campus or online)
6. Send final transcript to HCC at the end of your senior year.

Here are some of the programs available at Hillsborough Community College:

Associate in Arts Degree

The Associate in Arts degree is designed for students who wish to transfer to a university. It is protected by the Articulation Agreement among all public Florida institutions of higher education. A student who is awarded an Associate in Arts degree by HCC has met the general education requirements for admission to the upper division of public universities.

Associate in Science Degree

The Associate in Science degree is awarded to students who successfully complete one of the technical programs. These areas of study are designed primarily to prepare students for immediate employment.

Some program titles: Accounting & Business, Architecture & Building Trades, Communications, Counseling, Education, Engineering, Environment, Health & Medical, Hospitality & Culinary, Information Technology, Office Administration, Law & Public Safety, Transportation, Veterinary Technology, and Welding

College Credit Certificate and Applied Technology Diploma

A College Credit Certificate is awarded for programs of less than 2 years in selected technical areas. Each of the certified programs is designed to prepare students for entry into a particular field, or to upgrade skills in the field. After completing a certificate program, many students continue studying their specific area and complete requirements for an Associate in Science degree.

SCHOLARSHIP OPPORTUNITIES

College is expensive. There's tuition, room and board, books, food...it all adds up fast!
The following list provides information about where to find scholarships:

- Check Canvas often or contact your school counselor for a copy of the scholarship matrix. The scholarship matrix can also be found on the district website.
- Participate in Collegeboard's Big Future Scholarships program: www.collegeboard.org
- Check college websites. Many universities offer merit scholarships. These are typically posted under "financial aid" or "scholarships." Check early: deadlines are typically during 1st semester.
- Check other scholarship search engines such as:
www.scholarships360.org
www.bigfuture.collegeboard.org/scholarship-search
www.scholarships.com
www.cappex.com
- **Hillsborough Education Foundation** offers many scholarships for Hillsborough County seniors. The application will open at www.educationfoundation.com in October.
- Apply for **Bright Futures** starting **October 1st** of your senior year. You must submit before graduation. **You can apply before meeting all the requirements.**
Directions: Go to www.floridastudentfinancialaidsg.org. Click on the following links:
"First Time Applicants"
"Create a Student Account"
Complete the required fields
Click Submit
SAVE the Username and Password automatically generated for you. You will use this to log back in and check on the status of your application once it has been submitted.
Fill out the Florida Financial Aid Application (FFAA)
- **ROTC Scholarships** through various branches of the military. These scholarships can potentially be full tuition scholarships, and have various test score and GPA requirements.
- Make sure to follow scholarship directions and be aware of deadlines. Type all parts of applications (essay, resume, etc.). Make copies and keep on file.

Start your scholarship search EARLY!!

Scam Alert!

If you encounter one of these scenarios do not pursue that avenue for college assistance.

- ✓ The scholarship is guaranteed or your money back.
- ✓ Do NOT give your credit card information or bank account number to hold a scholarship EVER!
- ✓ You hear, "We will do all the work for you".
- ✓ The scholarship costs money.
- ✓ Do not believe, you were selected by a "National Foundation" to receive a scholarship or "You are a finalist in a contest" that you did not enter.
- ✓ You get an appointment time to see someone that you did not set.

Initial-Eligibility Standards

If you want to compete in NCAA sports, you need to register with the NCAA Eligibility Center at eligibilitycenter.org. Plan to register before your freshman year of high school. For more information on registration, visit on.ncaa.com/RegChecklist.

Academic Requirements

Division I and II schools require you to meet academic standards. To be eligible to practice, compete and receive an athletics scholarship in your first year of full-time enrollment, you must meet the following requirements:

Division I

1. Earn 16 NCAA-approved core-course credits in the following areas:

ENGLISH	MATH (Algebra I or higher)	SCIENCE (Including one year of lab, if offered)	EXTRA (English, math or science)	SOCIAL SCIENCE	OTHER Any area listed to the left or courses listed in additional discipline (world language, comparative religion or philosophy)
4 years	3 years	2 years	1 year	2 years	4 years

2. Complete your 16 NCAA-approved core-course credits in eight academic semesters or four consecutive academic years from the start of ninth grade. If you graduate from high school early, you still must meet core-course requirements.
3. Complete 10 of your 16 NCAA-approved core-course credits, including seven in English, math or science, before the start of your seventh semester. Once you begin your seventh semester, any course needed to meet the 10/7 requirement cannot be replaced or repeated.
4. Earn a minimum 2.3 **core-course GPA**.
5. Ask your high school counselor to upload your **final official transcript** with proof of graduation to your Eligibility Center account.

Division II

1. Earn 16 NCAA-approved core-course credits in the following areas:

ENGLISH	MATH (Algebra I or higher)	SCIENCE (Including one year of lab, if offered)	EXTRA (English, math or science)	SOCIAL SCIENCE	OTHER Any area listed to the left or courses listed in additional discipline (world language, comparative religion or philosophy)
3 years	2 years	2 years	3 years	2 years	4 years

2. Earn a minimum 2.2 **core-course GPA**.
3. Ask your high school counselor to upload your **final official transcript** with proof of graduation to your Eligibility Center account.

Division III

While **Division III schools** set their own admissions and academic requirements, **international student-athletes** (first-year enrollees and transfers) who are enrolling at a Division III school after Aug. 1, 2023, must be certified as an amateur by the Eligibility Center. Contact the Division III school you plan to attend for more information about its academic requirements.

NAIA Information

NAIA Eligibility Center at PlayNAIA.org determines eligibility of all first-time NAIA student-athletes

The NAIA Eligibility Center, at PlayNAIA.org, is responsible for determining the NAIA eligibility of first-time student-athletes. Students must have eligibility determined by the NAIA Eligibility Center, and all NAIA schools are bound by the center's decisions.

Every student interested in playing sports at NAIA colleges for the first time needs to register online with the NAIA Eligibility Center. What information will I need to provide? You'll create a personal profile with the basic facts about your academic history and sports participation to date.

- You'll need your current contact information, previous residences and addresses, high schools attended and history of your sports participation during and after high school graduation.
- When registering for the ACT/SAT, include the NAIA Eligibility Center (9876) on list of places scores should be sent.
- Ask your high school counselors to send the NAIA Eligibility Center a final official transcript that verifies high school graduation, class rank and cumulative grade point average.

Do I meet the freshman eligibility requirements?

If you will graduate from a U.S. high school this spring and enroll in college this coming fall, the requirements are;

- Be a graduate of an accredited high school or be accepted in good standing as defined by the enrolling institution
- Meet two of the three following requirements. If as an entering freshman you do not meet at least two of the three standards, you cannot participate in athletics for the first full year of attendance (2 semesters, 3 quarters, or equivalent).

1. Test Score Requirement	2. High School GPA Requirement	3. Class Rank Requirement
<ul style="list-style-type: none">• 18 composite score ACT (for tests taken before March 2016). 16 composite score ACT for tests taken March 2016 - April 30, 2019.• 970 SAT Evidence-Based Reading/Writing + Math, 860 if taken between March 2016 – April 30, 2019.	<ul style="list-style-type: none">• Achieve a minimum overall high school grade point average of 2.0 on a 4.0 scale.	<ul style="list-style-type: none">• Graduate in the top half of your high school class.

What are the costs?

Registration for students from the U.S. and Canada is \$90 and Visa, Mastercard and Discover are accepted. This is a one-time nonrefundable registration fee and includes all services of the NAIA Eligibility Center. The registration fee will be waived for students with demonstrated need. If you receive a fee waiver for the ACT or SAT test or qualify for the federal free or reduced-cost lunch program, contact your high school counselor, who can provide confirmation of your eligibility for a fee waiver to the NAIA Eligibility Center.

Do I need to register with the NAIA Eligibility Center if I'm registering with the NCAA?

Determining if you meet eligibility requirements for NAIA eligibility is separate from NCAA eligibility certification. The NAIA and NCAA are two separate associations, with two different sets of rules and certification processes.
