The application for extracurricular participation will only be submitted electronically and can be found on the Hillsborough County Public Schools Athletics Department website at:

<https://www.sdhc.k12.fl.us/doc/list/athletics/student-forms/39-285/>

or can be directly accessed on the Athletic Clearance website: <https://athleticclearance.fhsaahome.org/>

All students participating in Athletics, JROTC, Band, and Band Auxiliary will be required to complete, submit, and receive verification of clearance prior to being allowed to participate in extracurricular participation at any Hillsborough County Public School. This includes participation in conditioning, tryouts, practice, contests and approved off-season activities.

In order to successfully complete this process, read this entire document before starting the registration process and be sure to have all required documents scanned in order to be uploaded when prompted.

Returning Users: Login to the same account that was created for the 2019-2020 school year using the e-mail address and password you provided at time of registering. If the parent does not know the email that was previously used, your student's APA can look up the student's prior application to verify. Returning students may have some documents (government issued photo identification, birth certificate, and/or physical) from the 2019-2020 school year that are available in your Athletic Clearance account. To access these three documents, you will need to retrieve them from the document library and then upload. Please note that if there have been any changes to these documents, they will no longer be valid. If the birth certificate and/or the government issued id has changed (expiration date and/or address) they will no longer be valid. If the physical in the document library has expired, the student will need a new physical uploaded. Per state law, physicals are valid for 365 calendar days from the date of the evaluation.
