Honor Code

Members of the collegiate academy, must hold themselves and their peers to the highest standards of honesty, responsibility, and integrity. Individuals should not personally commit nor knowingly allow anyone else to commit academic dishonesty.

Academic Dishonesty Includes:

- Giving class work/homework of any kind to another student to be used or copied when not specifically permitted by the instructor.
- Copying graded assignments from another student or giving graded assignments to another student for them to copy.
- Working together with another individual(s) on any assignment when not specifically permitted by the instructor.
- Attempting to look at another student's paper/materials during an exam/test/quiz or any work meant to be done alone.
- Looking or attempting to look at your notes/materials/electronic devices or someone else's notes, text, etc... during an examination/test/quiz, when not specifically permitted by the instructor.
- Giving someone answers to exam/test/quiz questions either when it is being given or after taking it.
- Pressuring or coercing a student in any way to produce academic work of any type for you.
- Attempting to get graded credit for an assignment which you did not participate in.
- Misrepresenting yourself or conducting an act for the purpose of deceiving a teacher for the academic advantage of yourself or anyone else.
- Plagiarism or attempting to represent the work of another as the product of one's own thought.
