

As students wrap up their Kindness Challenge week, we hope you are witnessing their thoughtfulness and kind actions at home. We continue to focus on **Gratitude...Discovering the Leader in Me** by doing for others and encouraging others to do the same; i.e. the AHA Jump Rope for Heart program. Please make sure your child is registered. There are many ways a member of the community, without a student at Mary Bryant, can donate. They may call the American Heart Association at 1-800-AHA-USA1 or visit the AHA website [heart.org/KHC](http://heart.org/KHC).

### Art Honors

We are proud to announce that two of our amazing young artists have been selected to represent Mary Bryant Elementary at the annual Fine Arts Festival in March. 5th graders, Kendall Myrick and Evalyn McClure, worked diligently to create Complementary Colored first artworks using rhythm.

### National School Counseling Week

National School Counseling week is February 1st-5th. Please click the link below to access information about what a school counselor does and the school counseling program here at Mary Bryant. We encourage your participation in the parent needs assessment, which can also be accessed in the document. We would love your input on how we can continue to improve our program.
