

BRONCO BANTER

MAY1, 2021

VOLUME 1 ISSUE 8

Dear Bronco Family,

This school year has been like no other. Thank you for your trust and patience through the challenges. Our theme this year was Galloping to Greatness...Discovering the Leader in Me. Each month students were introduced to one of the 7 Habits of Stephen Covey's book, The Leader in Me. The author's favorite quote, "Leadership is communicating a person's worth and potential so clearly that they are inspired to see it in themselves," captures what our staff has focused on to develop leadership qualities within your child.

As we bring this school year to a close, please plan to use the summer months to relax, refresh, and read. Make memories with your children!

I look forward to seeing everyone back at school for the 2021-2022 school year. All Bryant Elementary students will be Brick & Mortar. Families choosing to continue the eLearning format will have to enroll their child in Hillsborough Virtual. The students' first day is Tuesday, August 10th. Open House information will be posted on our electronic sign toward the end of the summer.

Please print a copy of the district school calendar from the link below and place it on your refrigerator! Now, more than ever, your child needs to be in school every minute: Every effort must be made to schedule family events and appointments around your child's school day.

Sincerely yours,

Ellen Oberschall
