

BRONCO BANTER

NOVEMBER 1, 2021

It is so exciting to begin adding things back to the calendar. Scheduled volunteers have begun to transition back on campus. Report Card Awards programs will be held on the covered court. We will honor our Veterans with breakfast and a celebratory program. And... our schoolwide fundraiser, the Gallop to Greatness Fun Walk, is back! Teachers and staff need updated technology. The package available to us through the district vendor costs \$1,299.58 per staff member. There are 61 Instructional Staff here at Bryant. Your support and that of family and friends is greatly appreciated. Your child will come home Friday, November 5th with information on how you can help.

November Important Dates

- 11/2 Grade 5 Report Card Awards
- 11/3 Grade 4 Report Card Awards
- 11/5 Sport Team Shirt Day
\$2 Donation Benefits The Pediatric Cancer Foundation
- 11/10 Veteran's Day Celebration
- 11/11 No School - Veteran's Day
- 11/15-19 Week of Caring
- 11/18 Great American Teach-In
- 11/19 Gallop to Greatness
- 11/22-26 No School - Fall Break
- 11/29 Students Return

Student Spotlight

Mary Bryant continues to work toward developing the leadership skills of students. Each year, 3rd, 4th, and 5th grade students have the opportunity to run for a seat on Student Council. These students represent their classroom in school wide events and community outreach. Student Council members listen to the concerns of their peers to discuss at meetings, share wellness information on the morning show, participate in a legacy project, and volunteer. Your leaders on the 2021-2022 student council are:

3rd Grade - Victoria Contreras, Chloe Sugg, Charli Simmons, Savannah Stovall, Ara Arunraja, Elliot Robinson, Elijah McClure, Anthony Galliani

4th Grade - Inas Amrani, Adithi Injeti, Cooper Bellew, Lane Strickland, Matheus Pinzkoski, Ezra Dominique, Fiona LaMura

5th Grade - Samhita Palakuru, Julian Batista, Victor Budzinski, Brynn Taylor, Grayson Dawson, Alexandra Fisher, Milana Pavlinic (President), Collin Snyder

JA BizTown

By Harrison Henwood

BizTown is an exciting and traditional field trip for 5th graders. It is the culminating activity where students participate in a simulation community as they learn about economic concepts. This fun experience follows a unit of study on of work readiness, entrepreneurship, and financial literacy. Our trip was on October 20th. I worked as a DJ (Disc Jockey) for Mix 100.7, along with three other students: Emily, Sophia, and Jack. It was an incredibly fun and exciting experience where breaks were held, meetings gathered, and students got paid - allowing them to go to stores around the JA BizTown center and spend the money they earned. Students also learned to save money in bank accounts, deposit money, use checks and credit cards, and be weary of the money they made and spent. I was so grateful for the experience, and I know future 5th graders will feel the same way.

Continuing to Developing Student Independence

Please help us develop your students independence by allowing **them** to remember their lunches, homework, water bottles and jackets. When a forgotten item is dropped off in the office our staff member will now email the teacher and place the item in the teacher's mailbox. The teacher may or may not have the opportunity to pick up the item by the end of the day. But rest assured the student will not go thirsty nor hungry, and teachers understand if an occasional homework assignment is handed in late. Thank you for your support and understanding.

Gallop to

Greatness...

As Leaders!
