

BRONCO BANTER

MARCH 1, 2021

VOLUME 1 ISSUE 6

This month I'd like to focus on a previous Bryant Bronco. His story is just one example of how we strive to build a solid foundation for our students here at Bryant Elementary.

Chase Hartman was a member of Student Council, NEHS, Chess Club, Odyssey of the Mind, Choir and a Bryant sponsored Cub Scout group. Chase enjoyed volunteering and created Read.Repeat, which collects and distributes used books to children in Title 1 schools.

Recently, I was pleased to hear from Chase asking if he could execute his Eagle Scout Project at our school. We had an area which, at one time, was a vegetable garden but had become overgrown. Chase brought in a team of scouts to clean up the area and plant a beautiful butterfly garden.

I am very proud of Chase for continually finding ways to improve his former school and community.

Florida Cell Phone Law School Zones

As of October 1, 2019, Florida drivers are not allowed to hold cell phones in their hands in work or school zones. Our school zone begins on Nine Eagles Road and extends through all school property including Car Line. Drivers in these zones should not hold the phone up to their ear, type anything on their screen, or even hold their phone to read their GPS. If law enforcement sees a driver breaking this new law, they may issue a citation.
