@TBTechHS

Tampa Bay Technical High School

6410 Orient Road • Tampa, FL 33610
(813) 744-8360

WHAT CAN I EXPECT?

Career preparation, job shadowing, clinical experiences, employer advisory councils, paid on-the-job training (OJT), and rigorous college readiness training.

OUR STUDENTS EXCEL!

Students can earn college credit in over 15 advanced placement courses offered in science, social studies, mathematics, English, foreign language, and art history. Students in career, honor, and service clubs receive top awards from regional, state, and national competitions. Over 300 students a year receive certification through their chosen program of study.

WHAT HAPPENS TO TECH GRADS?

90% of TBT students enter post-secondary education. Recent grads currently attend technical centers, community colleges, and major universities throughout the United States. This includes West Point, MIT, Harvard, Brown, University of Pennsylvania, Columbia, Stanford and University of California, Berkeley.

WHAT ABOUT SCHOLARSHIPS

Tech students earn more than \$3 million annually in scholarships. Scholarships are available for Technical Centers, Community Colleges and Universities, Bright Futures Scholarship Program, Florida Academic Scholars Award, Florida Merit Scholars Award, Florida Gold Seal Vocational Scholars Award, Industry Sponsorship, Hillsborough Education Foundation, and Adult Apprenticeship.

• Academy of Architecture

(Magnet Application Required) Computer-aided drafting skills are high tech, high wage, and in high demand by architectural and engineering firms. Students use computers to create designs, survey, and build models of various structures.

• Academy of Health Professions
