**Martinez Middle School****8th Grade Electives Worksheet**

Dear Parent or Guardian,

The purpose of this worksheet is for students to indicate elective preferences for next school year. Students are scheduled for language arts, math, science, social studies, physical education, and electives. Students who score below the proficiency level on the Florida Standards Assessments (FSA) in reading and/or math will be scheduled to take intensive level reading and/or math courses in place of electives.

Elective courses are offered based on student interest. Since course offerings, class schedules, and hiring of teachers is based on requests made by students on their programming sheets, **it is expected that students honor their commitments next year.** Every effort will be made to schedule students for their first choice. However, if a student requests to change selections at a later date, seats may not be available.

Florida law requires physical education for middle school students. The requirement may be waived when the student is scheduled to take intensive reading and/or math courses or the student is participating in physical activities beyond the school day which meet or exceed the mandated requirement. **If you would like to request a physical education waiver and/or co-enrollment contract, students must see their school counselor. Course descriptions will be available on our school website and Canvas.**

Electives: Use a 1, 2, 3, and 4 to indicate first, second, third, and fourth elective preferences.

A parent signature on this worksheet can serve as the physical education waiver for students who do not mark PE as a preference and are scheduled for intensive level classes for reading and/or math.

INTENSIVE LEVEL CLASSES (READING OR MATH)

If your child is scheduled for intensive level classes for reading and/or math, I prefer him/her to take:

Physical Education (PE)

OR

Elective

Complete only if intending to co-enroll in Hillsborough Virtual (HVS):

NON-TRADITIONAL VIRTUAL/CO-ENROLLMENT SCHEDULING OPTION

Co-enrollment is available to students wishing to have a non-traditional school schedule. Co-enrolled students are required to enroll and complete virtual (HVS) courses at home for each period that they are not enrolled in a class on a physical school campus. Students must complete a total of 7 academic courses for each semester of the school year. In order to finalize a co-enrolled schedule students must see their school counselor to pick up a co-enrollment contact. **The co-enrollment contract must be completed and submitted with this elective selection sheet by March 12, 2021. Please note that parent pick up from school is required for any student co-enrolled.**

Students are only allowed to have two periods of HVS; only periods 7 and 8 are offered as HVS periods.
