HILLSBOROUGH COUNTY PUBLIC SCHOOLS

Face Covering Medical Exemption Form

To ensure a safe environment, masks will be required for all students, staff and visitors on Hillsborough County Public Schools property. The use of face coverings is aligned with both guidance from Centers for Disease Control and Prevention (CDC) and a recommendation from the American Academy of Pediatrics (AAP).

CDC recommends universal indoor masking for all teachers, staff, students, and visitors to schools, regardless of vaccination status. AAP recommends universal masking because a significant portion of the student population is not yet eligible for vaccines. Public health experts agree vaccination is the most effective defense against COVID-19 for those who are eligible to receive the vaccine.

If your child has a medical, physical, or psychological condition that prevents them from wearing a mask, please consult with your medical provider and complete this form.
