

Drop-off and Pick-up Procedures

In a continued effort to make traffic safe and efficient at Carrollwood K-8 please be aware that: Hillsborough County Sheriff's office has advised us that cars that are stopping or parked in the northbound lane of Orange Grove prior to 7:10 arrival and 2:10 dismissal is in violation of stopping on an active roadway and subject to citation. Please plan accordingly.

Drop off procedures:

1. **Cafeteria car loop:** students who will be transported by car will drop off in this location beginning at 7:10 a.m. Prior to 7:10 you must wait at the entrance to the parking lot on Orange Grove so teachers may pull into the parking lot. If you are heading south on Orange Grove, no left turns will be permitted into the parking lot.
2. At **7:20**, we will allow for an overflow of cars to drop off in the McFarland front office loop. You must remain in your vehicle and pull all the way forward. Do not park and walk your child across the drive.
3. **Bus riders/Daycare Vans/Mrs. Zeledon's students:** will be dropped off in the McFarland front office loop.
4. **Walkers:** This option is only available to families who **walk from their front door to the school** to drop off their child. If you leave your house in a car, you must use the car loops. Families who live on the south side of the school may use the Valencia gate entrance/exit. Families who live north of the school will walk their child to the Parent Pick up sign located near the Orange Grove loop. Your child will walk to class the rest of the way by themselves.

Pick-up procedures:

1. **Cafeteria Car Loop (K -3rd Grade Dismissal):** Please be advised dismissal begins at 2:10 so please plan accordingly. If you are in the car loop lot early, you will wait at the entrance.
