

4th Grade SLAM Showdown Book List

Below you will find the reading list with book levels for next school year's reading enrichment program. I have carefully chosen the following ten books out of the fifteen SSYRA 2021-2022 book list to expose our students to a variety of genre and grade level appropriate books. There will be multiple copies of each title available in the Media Center and digital copies are already available on Axis 360 for your child to check out. A program kick-off followed by more information will take place at the beginning of next school year. If your child would like to start reading from this list, it would be a good idea for them to keep a journal summarizing chapters read, important events, and characters.

Happy Reading,

Mrs. Melissa Irvin, Media Specialist
