Service As Action (SA) is doing something to help make the world a better, more peaceful place! SA is part of being a Middle Years Programme (MYP) student. Even more importantly, it is part of being a caring, responsible member of your school, local and global communities. In the MYP, service as action starts in the classroom and extends beyond it, requiring you to take an active part in the communities you are a part of.

At Walker, the expectation is that Year 1 students will complete 5 hours of service; Year 2 students will complete 8 hours of service; and Year 3 students will complete 10 hours of service + the required Community Project. members of the National Junior Honor Society (NJHS) must complete 10 hours.

Please read through the Service As Action Reflection questions before you start your service, review the questions during your service and then complete the questions after you have finished your service.
