

BROWARD ELEMENTARY PARTNERSHIP POST

#AchievingTogether

The community partner newsletter for Broward Elementary.

Broward Partnerships=SUCCESS"Fall"

Fall has been AMAZING thus far! Thank you for all of your continuous support! We are definitely stronger together and achieving together because of our amazing partnerships.

This year one of our community school priorities is increasing parent engagement. Our goal is not to just have parents attend events, but to have them share their voice and perspective about things that affect their scholars and their community. We are excited to announce we are creating a Parent Resource room. This space will be designed to support parents in getting the resources they need. We plan to offer free printing services, classes on financial literacy, resume building and more. The goal of our Parent Resource room is to provide a place where parents feel safe and comfortable receiving the support that they need. I have attached our Amazon Wishlist at the end of the newsletter if you would like to assist with some of our needs for this project.

During October we hosted two family nights: Hispanic Heritage Fiesta and our Candyland Fall Fest. Huge thank you to La Teresita restaurant for donating the delicious food during our Fiesta and Mrs. Druci Diaz for offering our parents resources about adult education. Our Fall Festival had over 100 people in attendance, and our scholars had a blast. I would like to give a special shout out to TRIBE, BayCare, OneTampa, and Inhabitants of Christ for their candy donations! We would also like to acknowledge A.W., Windhorst Lodge 185 for setting up our Trunk or Treat and inviting the Fire Department. Again, we couldn't do what we do without all of your support!
