Cleveland Elementary School

July 27, 2021

Dear Cleveland Parents & Families,

On behalf of the staff at Cleveland Elementary, I am happy to welcome you to the 2021-2022 school year! Our theme this year is “**Preparing to Accelerate and Work towards Success” and it is through our passion for learning and our long tradition of educating the “whole” child, that we will engage our students intellectually and inspire them to reach their potential.**

While we are in the business of educating, our first priority is the safety of our students and our employees. In order to keep our campus and our Cubs safe we are still following CDC guidelines for COVID protocols. Masks are optional this year. Parents are not permitted on campus. Please drop off your students at the car rider or walker area where Cleveland staff will be on duty. Thank you for your understanding and flexibility as we do everything, we can to be responsive to the needs of the community around us.

Cleveland’s Mission

As we plan for the start of our school year, our focus will still be to ensure that every child, every chance, every day:

- Knows how important, valued and loved he or she is.
- Receives high quality instruction and is being challenged by new learning experiences.
- Is learning a set of skills, knowledge, and behaviors involved in goal setting, engaging in positive relationships, and solving problems effectively.

In a world of unknowns, be assured we are doing our very best to maintain a sense of normalcy and regularity this school year. The teachers have already been working hard to start the year off with a positive, proactive approach to learning for students. We will spend a great deal of time gathering data about students’ strengths and needs at the start of the year to help guide instruction throughout the year to ensure that all our students receive the support that they need to be successful.

New Staff

Cleveland is a school staffed with energetic, caring and qualified educators who are committed to high academic expectations and mutual respect. Additionally, this level of commitment and support has been influenced by the many caring and involved parents and community partners. To add, this year we have the pleasure of welcoming the following new staff members to our Cleveland family:
