

2021-2022 Middle School Physical Education Waiver Form

Florida law requires each school district to develop a physical education program that stresses physical fitness and encourages healthful, active lifestyles and to encourage all students in prekindergarten through grade 12 to participate in physical education. The law further requires a minimum of one semester of physical education annually for students in grades 6 through 8, F.S.1003.455.

Middle school students in Hillsborough County Public Schools are scheduled for a full-year physical education course annually, except when a semester of physical education is paired with a semester of intensive math. All students are encouraged to take advantage of this opportunity within their school day to experience movement and build upon knowledge, skills, and values that support a healthy and active lifestyle.

However, the law allows for a waiver when a student is enrolled in a remedial, intensive course or when a parent makes a written request for one of the following reasons:

1. The student participates in physical activities outside the school day that are equal to, or in excess of, the physical education requirement. Physical activities outside of the school day that meet the requirement are those that the parent indicates in writing are equivalent to 250 minutes per week for a minimum of eighteen (18) weeks during the designated semester.
2. The parent requests that the student enroll in another available course.

The waiver option is intended as an opportunity for students to enroll in an elective course or other course via Hillsborough Virtual School (HVS) or face-to-face (as available) in place of the physical education course. **It is NOT intended as an option for early dismissal.** Students will be scheduled for their alternate course any class period. Students will take HVS courses in a computer lab or other designated area and be supervised by Coleman staff. Alternate face-to-face elective courses on campus are subject to seat availability.

To request a waiver for the physical education requirement, please complete the following information and return this form to your child's school counselor or assistant principal.

Coleman Middle School
Directions for Completing a PE Waiver 2020-2021

Step 1: Complete and sign the 2021-2022 Middle School Physical Education Waiver Form

Step 2: Return form to Coleman. Parents may drop off in person M-Th 8:00-3:00 or **scan** signed copy and email directly to brian.hoover@hcps.net **Deadline is July 31, 2021.**

Step 3: Follow the attached step by step directions provided to enroll your child in a Hillsborough Virtual course. Please review courses carefully and select an elective course from the **Middle School** offerings. Please note that courses will be approved in late July/early August when counselors return. Your child will start the virtual course on campus at CMS when school starts. He/She will be assigned to the lab during the class period in which they would have had PE. *(Note: If you are requesting an alternate course on campus and not a virtual course, please contact your Mr. Hoover, APC, as these classes are limited and subject to seat availability.)*

For questions regarding PE Waivers, please contact Mr. Brian Hoover, Assistant Principal for Curriculum, at brian.hoover@hcps.net or via phone at 813-872-5335. Thank you.
