

Collins Axis 360

Your Free Online Library

axis360

What is Axis 360?

Axis 360 works like a traditional library...but online. The school district has thousands of e-books and audiobooks available for students to check out online. Just like in the standard library, if all the copies of the book are checked out, you'll have to wait for someone to return a copy. Because the selection of books is similar to a traditional library, **axis 360 offers books that aren't available on myOn** including *Big Nate*, *Goosebumps*, *Dork Diaries*, the SLAM books, and more!

How do I use Axis 360?

INSTALL: Download the axis 360 app (available for almost all mobile phones and tablets). Go to your app store and search "axis 360". *For computer directions, see below.*

LOGIN: Search for **HCPS Collins Elementary**. Your Library ID is your 7 digit student ID (lunch) number.

CHECKOUT: Find a book and click "checkout." Hint: if the book icon in the top right of the book is white (top left grey on computer), no copies are currently available. You may put a book on hold if all copies are checked out. You will get an e-mail when it becomes available for you. You may also add books to your "wish list" to remind you of what you want to read later.

RETURN: Your book automatically returns at the end of two weeks, but please click on the book under "My Stuff" to return it as soon as you are done reading.

Differences Using a Computer

- To visit our Collins axis360 library, go to <http://sdhccoll.axis360.baker-taylor.com>
- When you find a book you want, click checkout. Use your lunch number for your library ID. Once you've checked out books you can read them directly in your browser. Any books you check out from the website will be available on your mobile app as well.
- The book will come off your account automatically after two weeks, but if you finish it early, please return it.
