

Meet your Assistant Principal: BAYLI WOODY

ABOUT ME

Hello! My name is Bayli Woody, and I am so excited to take on the role of Assistant Principal at Colson Elementary. I completed my internship and taught for five years at Colson prior to taking on this role. I have a love for the Colson students, staff, and campus and am looking forward to serving the Colson community.

FUN FACTS

- My husband and I had a baby boy in April of this year. His name is Cade.
- I love owls! You will probably see quite a few in my office.
- I went to the University of South Florida to earn both of my college degrees.
- I have a pet dog named Bear who loves to snuggle on the couch!
- An iced coffee from Dunkin' Donuts will be in my hand each morning when I arrive to work.
- My favorite color is green.

LEADERSHIP PHILOSOPHY

I believe in empowering every student to succeed. I believe in leading by example and that hard work and dedication are essential to creating success. I believe in providing a listening ear and showing compassion for all. I believe that a positive mindset and collective efforts help to accomplish common goals. Most of all, I believe that everyone **CAN** and **WILL** accomplish anything that they set their minds to.
