**Need more info,
scan the QR!**

Credits and grades earned through dual enrollment will be part of the student's permanent high school and college record.

Cambridge AICE Program

The Cambridge AICE Diploma is an **internationally recognized diploma** awarded to students for the satisfactory completion of a series of academically rigorous courses specific to AICE in high school.

To earn the AICE diploma, students will need to complete **at least 7 AICE courses** from different categories (Mathematics and Sciences, Languages, Arts and Humanities and Interdisciplinary and Skills-Based Subjects).

Students will also be required to **take and pass the associated assessments** for each course.

The AICE program is described as a rigorous course of study, preparing students for college at a more intensive pace than traditional coursework.

Kristy Baker, AICE Lead Teacher
kristy.baker@hcps.net

CTE & Industry Certification

At Sumner High School we offer various courses that earn Industry Certification in the following categories:

Business Technology
Entrepreneurship
Culinary Arts
Family & Consumer Science
Information Technology / Cybersecurity
On the Job Training (OJT)
Veterinary
Gaming

ARMY JROTC

- Our program falls under a more comprehensive curriculum as provided by Army Cadet Command.
- At Sumner HS we call our program the **Leadership Academy** with five levels where we will teach leadership, communication, teamwork, leadership labs and important life lessons.
- We are NOT building students to go into the military, but **building leaders** for the future in whatever vocations they may choose. Our program teaches life lessons.

World Languages

A foreign language course is **NOT** required for high school graduation.

At least 2 credits of the same world language are required for admission into **MANY** four-year colleges/universities.

Bright Futures Scholarships: the two top tier scholarships: **Florida Medallion** and **Florida Academic Scholars** REQUIRE 2 credits of the same world language.

Latinos In Action

Latinos In Action (LIA) offers an asset-based approach to bridging the graduation and opportunity gap for Latino students, working from within the educational system to create positive change.

Our program operates as a **year-long elective course** taught by a highly-qualified teacher at the high school level.

The end goal of everything we do is to empower Latino youth to lead and strengthen their communities through college and career readiness. We accomplish this by focusing on four pillars: leveraging personal and cultural assets, excelling in education, serving the community, and developing leadership skills.

Hector Rivera, LIA Lead Teacher
hector.rivera@hcps.net

Student Government

Students who participate in their student governments are privy to a range of **personal and professional benefits**, and they can be exposed to a variety of opportunities in school and beyond.

SGA is a **Leadership Class** on campus that plans school-wide events including Homecoming and pep rallies.

Students learn leadership strategies and work in committee settings to create proposals and execute activities and celebrations.

Students also volunteer and can earn service hours toward Bright Futures graduation requirements.

Students apply each April and interviews are conducted in May for the following year's class.

The course is designed for grades 10-12.

Tony Pirotta, SGA Advisor
tony.pirotta@hcps.net

National Honor Society

The National Honor Society aims to recognize outstanding high school students who demonstrate excellence in scholarship, leadership, service, and character.

NHS seeks to inspire and empower students to make meaningful contributions to their communities and strive for academic and personal growth.

Students engage in various service projects, leadership opportunities, and academic initiatives within their school and local communities.

Candidates are evaluated based on academic achievement, leadership potential, service contributions, and adherence to ethical principles.

Jewell Ferraro, NHS Advisor
jewell.ferraro@hcps.net

Julie Nelson, NHS Advisor
julie.nelson@hcps.net

Sumner HS Music Programs

Sumner High School has a rich music program offering students opportunities to participate in Band, Orchestra and Chorus.

Music students participate in many performance opportunities and Music Performance Assessments.

Francisco Quixtan, Orchestra Director
francisco.quixtan@hcps.net

Revae Douglas, Band Director
revae.douglas@hcps.net

Sean Martin, Chorus Director
sean.martin@hcps.net

Programs & Clubs

At Sumner High School we offer a variety of clubs that students can join.

Signing up to join a club occurs during ***Club Rush Week*** during all lunches, in the fall when school starts.

Student representatives from some of our programs and clubs will present some brief information.

Club Name	Sponsor

Sumner Speech & Debate	Mrs. Gauquie

Summer 2024 FAST Camp

Each summer, in June, high schools offer a ***FAST Camp*** for rising 9th graders.

At Sumner HS we will have **three different dates** to choose from to attend the **ONE-DAY camp**.

Seats will be limited, so register quickly when information is available.

Stay tuned in May for information about FAST Camp for the Class of 2028.
