### BUSINESS TECHNOLOGY:

There are a lot of exciting things happening in the Business Technology department! In December, 49 of our on-campus 7th and 8th grade CAB students earned the ICT Essentials Cyber Security Certificate. Those students have now transitioned to the new semester class "Coding Fundamentals" and have already learned basic HTML structure and several HTML Tags. Additionally the entire 8th grade Digital Information Technology class passed the Microsoft Industry Certification Exam in PowerPoint this week, bringing the pass rate for both Word and PowerPoint to 100%. Next up: Excel! Finally, our 6th grader students in Business Keyboarding are beginning to utilize their newly acquired keyboarding skills to create basic Microsoft Word documents. Great job everyone!

### DANCE:

SAVE-THE-DATE! April 1st, 2021- Davidsen Dance Department Spring Concert. Live streamed through Instagram (@davidsendance) and Facebook (Davidsen Dance Department).

### ART:

The Scholastic Art & Writing Award is the nation's most longest-running, most prestigious recognition program for creative teens to win. Congratulations goes out to Davidsen's Scholastic Art winners. Jared Rivera-Santiago won Honorable Mention, Daniel Gabriel won Honorable Mention and Violet Correa won a Silver Key for her animation. Great Job!
