

WILSON MIDDLE SCHOOL 2022 - 2023

WHY JOIN?

- Stay informed! There's no better way to know what's happening at Wilson!
- Get the most out of your child's middle school experience. With your support, the PTSA helps our teachers and administrators update curriculum, develop new school programs, and continue improving our school facility.
- Connect with other parents. When you come to general membership meetings, volunteer at school, and take part in PTSA events, you will get to know fellow Wilson families.
- Show our teachers you support them! Nearly 100% of our teachers are PTSA members who value and support what we do.
