HISTORY OF DURANT HIGH SCHOOL

Durant High School opened in the fall of 1995 with the first principal, Ron Frost, setting the tone of the school as a student-centered family of Cougars. The school was named for the town of Durant, Florida, which was the namesake of George H. Durant when he sold the right of way to the railroad and the community of Durant, Florida became a reality. The railroad brought the addition of phosphate mining to the once purely agrarian community known for farms, groves and pastures. Currently, Durant High School has an enrollment of over 2500 students, employs 200 faculty and staff members and works towards excellence in all our endeavors. Each day we continue to help our students, “Pursue Their Dreams”.

Thank you for helping us honor the graduates of the Class of 2025.
Our ceremony is a formal event. We appreciate your cooperation in
maintaining an atmosphere of respect and dignity.

A student's speech does not reflect the endorsement, sponsorship,
position or expression of the Hillsborough County School District or
Durant High School.
