Durant Families:

Welcome Back Cougars!

We are looking forward to the opening of the 20-21 school year. As we continue to live in unprecedented times, the safety of our students will continue to be our top priority. Rest assured that we will communicate all updates to our Durant Community in a timely fashion. We realize the 4th quarter of last school year was different for all of us.

Durant High continues to receive a major facelift to our 25-year-old building. We have our entire roof replaced, a fresh coat of paint to the exterior of our building, and our HVAC system is currently being replaced. All these changes are a major improvement from this time a year ago. Other remodeling projects have been ongoing as well. Our students will notice these improvements as soon as they step on campus.

Additionally, we have hired several new employees, including teachers, to compliment our staff. Our faculty and staff have missed their students greatly. They are eager to return with them when all is deemed safe.

Stay Safe Cougars!

Regards

Gary Graham
Principal
