**Schedule Change Policy**

1. **Valid reasons** for a schedule change may include scheduling error due to test scores, failing a required course, passing a course in summer school or night school, lacking a graduation requirement and/or lacking the proper prerequisite.
2. **Elective changes most often cannot be honored** due to teacher unit allocation and class size reduction amendment.
3. Schedule change requests will **NOT** be considered for the purpose of **teacher preference**.
4. Failure to complete summer reading does not constitute a valid reason for a schedule change.
5. A change request may require the entire schedule to be altered to meet the request you have made. Including different teachers and different class periods.
6. Once a schedule has been changed, it cannot be changed back again to the original schedule.

I am aware of the programs offered to my child at Wharton High School, and I agree with his/her choices as indicated. **I have also read and understand the schedule change policy.**

**Due to the requirements of the Class Size Reduction Amendment, requests for schedule changes may be denied as classes reach maximum legal capacity.**

**I am aware that my student must take one on-line course to fulfill graduation requirements.**
