

OPPORTUNITY TO REACH ALGEBRA 1 BENCHMARK BEFORE NEXT SCHOOL YEAR

Summer Algebra 1 FSA EOC Benchmark Booster

The Algebra 1 EOC Retake/Benchmark Booster – Summer Learning Program provides a review of topics covered on the Algebra 1 End of Course (EOC) state assessment. Students will engage in adaptive math instruction to build confidence and competence in mathematics. Passing the FSA will give students credit for the state’s Algebra 1 benchmark requirement for graduation.

There is no academic credit given to students who attend (unless they pass the Algebra 1 FSA) and transportation is not provided.
