2022 Great American Teach-In

Committed to Inspire the Leaders of Tomorrow

Parents, community members, and friends of Farnell Middle School, make plans now to be a part of the annual Great American Teach-In Tampa Bay, on

Thursday, November 17, 2022. We are looking for volunteers to teach a minimum of one class period in this community-wide effort; intended to enhance our students' knowledge and their understanding of the many professions and community activities available to them.

You need not have any teaching experience, just enthusiasm and a desire to share with students something about your career, your experiences, your hobby, and/or yourself. We want you to carry some key messages into our classrooms, including the importance of staying in school, hard work and volunteerism; which focuses on the value of how each individual student impacts their community.

The Great American Teach-In is a perfect opportunity for parents, business leaders, and community members to show our students we care about them. The idea is simple - join us on **Thursday, November 17, 2022**, and teach a class or two, whatever your schedule permits. We'll do our part in giving you some suggestions and preparing you for this teaching experience.

Simply email the coordinator Kimberly LeGree- Hymes at **Kimberly.LeGree-Hymes@hcps.net** to register for The Great American Teach-In Tampa Bay.

All dates and times will be confirmed with you as responses are received.
