Dear Parent/Guardian:

All educators in Florida are monitored to ensure they meet certification and training requirements as mandated by law. Per Florida Statute 1012.42, when a teacher is assigned teaching duties which are out of the field in which the teacher is certified, the parents/guardians of all students in the class shall be notified in writing.

In Title I schools, when a child is taught for four or more consecutive weeks by a teacher who is non-state certified or state certified, but teaching out-of-field, the LEA must provide written notification to each parent/guardian in a timely manner. Information regarding the qualifications of your child's teacher and/or classroom paraprofessionals may be obtained upon request.

Hillsborough County Public Schools is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. The district is assisting our teachers by developing an Individual Professional Development Plan to complete the requirements needed to become in-field.

All of our teachers are certified to teach, although some of them are currently out-of-field and are working on additional areas of certification. You have the right to know the professional qualifications of the teachers or paraprofessionals who instruct your child. Federal law allows you to ask for certain information about your child's teachers and requires us to give you this information in a timely manner if you ask for it. If you would like more information, please contact the school at 813-276-5608.

The table below lists teachers who are currently out-of-field.

Estimados Padre/Guardian:

Todos los maestros en Florida son monitoreados para garantizar que cumplan con los requisitos de certificación y capacitación según lo establece la ley. Según el Estatuto de Florida 1012.42, cuando a un maestro se le asigna una posición de enseñanza fuera de su área en la cual se ha certificado, los padres /guardianes de todos los estudiantes en esa clase serán notificados por escrito.

En las escuelas Título I, se requiere que se notifique a los padres/guardianes, por escrito, si su hijo/hija ha sido enseñado durante cuatro semanas consecutivas o más, por un maestro que no cumple con los requisitos de certificación o licencia estatal, o está enseñando en una materia diferente de la certificación. Si ustedes desean, pueden solicitar las credenciales del maestro y/o el para profesional del salón de clase de sus hijos.

Las Escuelas Públicas del Condado de Hillsborough se comprometen a brindar instrucción de calidad a todos los estudiantes y lo hace empleando a las personas más calificadas para enseñar y apoyar a cada estudiante en el salón de clases. El distrito está ayudando a nuestros maestros mediante el desarrollo de un Plan de Desarrollo Profesional Individual para completar los requisitos necesarios para certificados en esa área.

Todos nuestros maestros están certificados para enseñar, aunque algunos de ellos están actualmente enseñando fuera de su área de certificación, y están obteniendo certificaciones en otras áreas. Usted tiene el derecho de saber las credenciales profesionales de los maestros o auxiliares docentes que están enseñando a su hijo(a). La ley federal le permite solicitar información sobre los maestros de su hijo(a) y al mismo tiempo, nos obliga a proporcionársela en un tiempo adecuado, si usted lo solicita. Si desea más información, por favor comuníquese con la escuela al 813-276-5608.

La gráfica a continuación muestra los maestros que están actualmente enseñando fuera de su área de certificación.
