FOREST HILLS ELEMENTARY

Fecha **9/18/24**

Estimados padres/encargados:

Todos los maestros en Florida son supervisados para asegurar que cumplan con los requisitos de certificación y capacitación, según lo establece la ley. De acuerdo con el Estatuto de Florida 1012.42, cuando un maestro se le asigna una posición docente fuera de su área en la cual se ha certificado, los padres de todos los estudiantes en esa clase serán notificados por escrito.

Las Escuelas Públicas del Condado de Hillsborough están comprometidas a proporcionar una enseñanza de calidad para todos los estudiantes, y lo hace empleando a las personas más capacitadas para enseñar y apoyar a cada estudiante en el salón de clase. El distrito está ayudando a nuestros maestros con el desarrollo de un Plan Individual de Desarrollo Profesional para completar los requisitos necesarios para que sean certificados en esa área.

Todos nuestros maestros están certificados para enseñar, aunque algunos de ellos están actualmente enseñando fuera de su área de certificación, y están obteniendo certificaciones en otras áreas. Usted tiene el derecho de saber las credenciales profesionales de los maestros o auxiliares docentes que están enseñando a su hijo(a). La ley federal le permite solicitar información sobre los maestros de su hijo(a) y al mismo tiempo, nos obliga a proporcionársela en un tiempo adecuado, si usted lo solicita. Si desea más información, por favor comuníquese con la escuela al (813-9757633).

La gráfica a continuación muestra los maestros que están actualmente enseñando fuera de su área de certificación.

FOREST HILLS ELEMENTARY

Date 9/18/24
 Dear parents/guardians,

All teachers in Florida are supervised to ensure they meet certification and training requirements, as established by law. According to Florida Statute 1012.42, when a teacher is assigned a teaching position outside of his or her area in which he or she has become certified, the parents of all students in that class will be notified in writing.

Hillsborough County Public Schools is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support every student in the classroom. The district is assisting our teachers with the development of an Individual Professional Development Plan to complete the requirements necessary for them to be certified in that area.

All our teachers are certified to teach, although some of them are currently teaching outside of their certification area and are earning certifications in other areas. You have the right to know the professional credentials of the teachers or teaching assistants who are teaching your child. Federal law allows you to request information about your child's teachers and at the same time, requires us to provide it to you in a timely manner, if you request it. For more information, please contact the school at (813-9757633).

The graph below shows teachers who are currently teaching outside of their certification area.
