Read-A-Thon: Mrs. Norkas will again challenge Hammond students to read. Last year, she and Mrs. Arterburn wore blue hair for the day when Wolf Cubs exceeded their goal. What challenge will Mrs. Norkas and Mrs. Arterburn face this year if students reach their goal?

02/22/22 – 02/25/22

Bus Driver Appreciation Week: These individuals have one of the most important jobs in a school district. They start and end the day with many of our students and safely deliver them to their destination. This week we will show them our appreciation.

MAY

05/02/22 – 05/06/22

Teacher Appreciation: Teachers play a critical role in educating and shaping our children: the future leaders of our country. They are kind, patient, hard-working, dedicated and understanding professionals that mold our children's lives in a positive direction. We entrust our children with the teachers, and they affect their lives on a daily basis. This week is known as a time for honoring teachers and recognizing the lasting contributions they make to our children's lives.

We will be communicating changes to programs as our situation changes throughout the school year.
